### Pre-assembly preparation

Please ensure instructions are read in full before attempting to assemble this product

---

**Necessary Tools**

Please check the pack contents before attempting to assemble this product. A full checklist of components is given in this leaflet. If any components are missing, please contact the number on the front of this assembly instruction.

This product is **HEAVY**, it should be assembled as near as possible to the point of use. **TAKE CARE WHEN LIFTING** to avoid personal injury or damage to the product.

This product takes approximately **45 MINUTES** to assemble with **2 PEOPLE**.

The fittings pack contains **SMALL ITEMS** which should be **KEPT AWAY FROM YOUNG CHILDREN**.

Read this leaflet in full before commencing assembly.

---

## Fittings and parts checklist

---

01	1 x Head End	
02	1 x RHF S. Panel	
03	1 x LHF S. Panel	
04	1 x Foot End	
05	1 x Centre Support	
06	1 x Middle Feet	
07	2 x Sides Support	
08	1 x Fittings Box	
A	16 x Bolts	
B	2 x Screws	
C	80 x Slat Holders	
D	40 x Bed Slats	
E	1 x Allan key	

## Step by step assembly instructions

---

### Step One

All Bolts (A) must be screwed into pre drilled cams of Head end (01) and Foot end (04) as shown (8 into the head end and 8 into the foot end) and leave minimum 4 mm gap.

### Step Two

Attach the sides (02) and (03) to the Head end (01) and Foot end (04) as shown, push the sides firmly sideward. Firmly tighten the Bolts with Allan key (E).

---

## Step Three

Take the centre support (05) and attach the middle feet (06) as shown per diagram below.

---

## Step Four

Attach the center support rail (05) onto the support brackets which are factory-fitted to the Head End and Foot End. Push firmly downwards to secure in place.  
Please adjust the middle feet according to the floor level as per picture below.

---

## Step Five

On each of the bed slats (**D**) put the slat holder (**C**) and then fit the slat into the predrilled holes on the bedframe, as shown in the diagram. Repeat this step with the other 40 slats. Please fit the side supports (**07**) in the middle of each side of the bed.

---

## Care and Maintenance

---

The Helston range is a timeless painted bedroom range in either white with metal cup handles or ivory with solid oak tops and metal cup handles. Each piece has been carefully constructed to ensure it will give you years of pleasure. The natural characteristics of oak may include small cracks, knots, blemishes, and grain pattern variations which all add to the natural charm and beauty of this furniture product. Each piece is unique, and for this reason no two pieces within the range will perfectly match, however there will be harmony between all the pieces you may have purchased

All timber surfaces will change colour and mellow over time. New furniture will initially vary in shade from items that have been previously purchased.

### How to care for your furniture

Try to avoid prolonged exposure to direct sunlight as this may alter the colour and tone of your furniture over time.

Any spillages that do happen should be wiped up immediately with a clean dry lint free cloth to avoid marking the surface of the furniture.

---

## Safety Instructions

---

### General warnings:

Never drag furniture when moving it, always lift it. Periodically check all fixings to ensure none have come loose and re-tighten where necessary. Please take care when handling or moving the furniture as careless handling may cause damage or injury.

Furniture can be dangerous if incorrectly installed. Assembly should be carried out by a competent person. No liability will be accepted for damage or injury caused by incorrectly installed or assembled furniture.

### Specific warnings for heavy items:

It is recommended that before moving heavy objects to a new location they are completely disassembled to avoid personal injury or damage to the furniture. Please be careful to retain all fittings when doing this.
