Step Four

1. This item comes pre-fitted with two wall attachment straps. Attach the ends of the wall attachment straps to the wall once the item has been placed into the required position using appropriate screws, washers and wall plugs for your wall type.

WARNING: Ensure the area to be drilled is free from hidden electrical wires and water or gas pipes.

NOTE: Wall fixings are not included. Source suitable fixings for your wall type, if in doubt consult a qualified tradesperson

Wall fixing - if in doubt seek professional advice

Wood

If fixing to wood make sure that it isn't chipboard as screws can easily pull away from the core structure

Brick or Masonry

Use an appropriate wall plug provided you are sure your wall is sound

Cavity wall

Special toggle wall plugs are needed. Seek expert advice

Care and Maintenance

Use glass cleaner or soapy water for cleaning, do not use anything abrasive as this may damage the surface of the product.

Protect surfaces from scratches and marks by using mats and coasters

General warnings:

Never drag furniture when moving it, always lift it.

Periodically check all fixings to ensure none have come loose and re-tighten where necessary.

Please take care when handling or moving the furniture as careless handling may cause damage or injury.

Furniture can be dangerous if incorrectly installed. Assembly should be carried out by a competent person. No liability will be accepted for damage or injury caused by incorrectly installed or assembled furniture.

Specific warnings for heavy items:

It is recommended that before moving heavy objects to a new location they are completely dis-assembled to avoid personal injury or damage to the furniture. Please be careful to retain all fittings when doing this
