Laundry – Leifheit Outdoor Rotary Clotheslines LinoLift 500

Product name	Description			
Leifheit LinoLift 500 Rotary Clothes Airer - 50m	Leifheit's LinoLift 500 is new in design for 2017. This practical rotary offers quick and simple laundry drying outside. An attractive design with a strong aluminium central pole and 4 stylish steel arms. With 50 m of drying line, it can suitably dry up to 5 washing machine loads at one time. The rotary is height adjustable giving the			
80170405	option for lowering the arms so loading washing is easier, and raising the arms so longer laundry can hang free from touching the ground.			
#85359	- Easy to open using the pull cord - Height adjustable between 85 cm – 180 cm using the mechanism on the central pole - Arms lock in position automatically when opened - Line length of 50m, taking approximately 5 washing loads - Strong and robust lines to hang heavy washing - The airer comes with 12 coat hanger hooks, 3 on the end of each of the rotary arms - 3.39 kg in weight - Ultralight rotary is manageable to lift in and out of the ground and carry - Protective cover included - Lightweight aluminium central pole; 4 arms made of powder-coated steel - Ground-screw socket supplied - Fits into any 5cm ground socket / lawn-screw socket.
