Comfort and Quality

We strive to design and develop multifunctional sofa beds defined by:

- A unique character
- Solid functionality
- High seating comfort
- High sleeping comfort
- Durability

A precise combination of pocket spring, foam and fibre fill ensures the right balance between seating and sleeping comfort.

A rigid metal frame and mesh provides a strong and durable base for the upholstery.

Strong quality gears ensure a stable and durable function.
Dublexo Frej sofa bed

Design by Oliver WeissKnag & Per Weiss

The Dublexo sofa bed is designed in Denmark to stand out as an elegant and modern design piece. Metal framed and pocket sprung ensures durability along with an extra layer on top for comfort. Cubed sofa bed
Design by Oliver Wanscheid & Per Weiss

Compact and multifunctional sofa with solid oak legs. The Cubed sofa bed transforms into a double bed. A sofa width of 140 cm makes Cubed a space saving sofa bed perfect for small apartments, guestrooms and home offices. Despite its compact size, it also holds practical bedding box storage in the seat. Cubed sofa easily unfolds to make up a 140 x 200 cm bed, and the bedding box fits a couple of small cushions and blankets or a topper.

The mechanism has 2 positions: Sofa and bed. Measures 140 x 200 cm as bed. Available in the shown fabrics.

Available in 7 days.
