|--|--|

The MC350E has the Janome exclusive built-in embroidery unit, it offers professional-style embroidery and the display screen tells you everything you need to know. Choose from one of the built-in designs or download from the internet. Resize, edit or combine designs to make your project unique. The 350E stops automatically after sewing each colour in the design. Simply thread up the next colour and see the design develop before your eyes. Weight – 10kg
