

Fitting instructions for Petal Non Elec Shade

Thank you for purchasing this Petal non-electric shade pendant. Please read the instructions and warnings carefully before use to ensure safe and satisfactory operation of this product.

Warning

Please read these instructions carefully before commencing any work

- Always use the correct wattage bulb. Never exceed the wattage stated.
- This product should only be fitted with bulbs not exceeding 60W (Replacement bulbs may be obtained from your local John Lewis branch)
- When changing a bulb, always switch off at mains and allow the old bulb to cool down before handling. Dispose of used bulbs carefully.
- For domestic indoor use only.
- Clean only with a dry duster.

Instructions for use:

1. To prevent electrocution switch off at mains supply before installing or maintaining this fitting. Ensure other persons cannot restore the electrical supply without your knowledge.
2. Unscrew lampholder skirt cover.
3. Place shade frame mounting bracket to lampholder.
4. Whilst holding frame in position screw on lampholder skirt.
5. Ensure decoration hang down evenly on the same side of the frame.
6. Fit the bulb of the wattage indicated on luminaire (or lampholder - whichever is the lower rating), taking care not to exceed maximum wattage stated.
7. Switch on the supply to the luminaire and ensure it operates correctly.

Retain this instruction leaflet for future reference.
