---

## Step Ten

---

## Care and Maintenance

---

This Maine bed should be cleaned using a soft damp cloth and dried immediately. Do not use a very wet cloth or allow any liquid to contact with the veneers for a long period of time as this can permanently damage the surface. Do not use any abrasive cleaner or harsh detergent as this can damage the surface of the veneers.

### Safety Instructions

#### General warnings:

Never drag furniture when moving it, always lift it.  
Periodically check all fixings to ensure none have come loose and re-tighten when necessary.  
Please take care when handling or moving the furniture as careless handling may cause damage or injury.  
Furniture can be dangerous if incorrectly installed. Assembly should be carried out by a competent person. No Liability will be accepted for damage or injury caused by incorrectly.

#### Specific warnings for heavy items:

It is recommended that before moving heavy objects to a new location they are completely dis-assembled to avoid personal injury or damage to the furniture. Please be careful to retain all fittings when doing this.
