## Care and Maintenance

---

This Keates bed should be cleaned using a soft damp cloth and dried immediately. Do not use a very wet cloth or allow any liquid contact for a long period of time as this can permanently damage the surface. Do not use detergents and do not rub as this can cause permanent damage. Always protect your bed from direct sunlight as this may accelerate the natural on going discolouration process.

Screws holding together the bed frame should be tightened regularly.

Please retain this information leaflet for future reference.

## Safety Instructions

---

Never drag furniture when moving it, always lift it.

Periodically check all fixings to ensure none have come loose and re-tighten where necessary.

Please take care when handling or moving the furniture as careless handling may cause damage or injury.

Furniture can be dangerous if incorrectly installed. Any assembly should be carried out by a competent adult. No liability will be accepted for damage or injury caused by incorrectly installed or assembled furniture. During assembly children should be kept away from the product due to possible risk of injury. Do not use this item if any components are missing or damaged.

It is recommended that care is taken when moving heavy objects to a new location to avoid personal injury or damage to the furniture. Please be careful to retain all fittings when doing this.
