

John Lewis Stock Number	84592801																																																																																																																																																																																								
Name	Cuisine R-Evolution																																																																																																																																																																																								
Ingredients	Agar Agar, Calcium Lactate, Sodium Alginate, <b>Soy</b> Lecithin																																																																																																																																																																																								
For allergens, see ingredients in <b>bold</b>																																																																																																																																																																																									
May contain statements	Contains soya																																																																																																																																																																																								
Net Quantity	55 g (additives)																																																																																																																																																																																								
Country of Origin	China																																																																																																																																																																																								
Storage Instructions	Keep in a cool and dry place																																																																																																																																																																																								
Manufacturer's name and address	SHANDONG JIEJING GROUP CORPORATION 517 Shandong Road, Rizhao, Shandong, China																																																																																																																																																																																								
Instructions for use	Content: <ul style="list-style-type: none"><li>• four pre-measured food additives</li><li>• five specialised molecular tools</li><li>• 50-recipes DVD</li></ul>
