

# Promotion claim form.

## There are two ways in which you can register your purchase and claim your AEG cashback cheque:

**Online** at [www.easyanswer.net/AEGAutumn2013Cashback/](http://www.easyanswer.net/AEGAutumn2013Cashback/) follow the instructions in easy steps to register your claim.

**IMPORTANT:** Before you log on to this site, please ensure that you have an image of your sales receipt as a pdf, jpeg or tif file, clearly showing: the retailer, the AEG product, the date of purchase. Please also have your product serial number ready to input, this is so that we can validate your purchase and process your AEG cashback claim as quickly as possible. Final date for online redemption is 31st December 2013.

**By post** To claim for your cashback simply fill in your details below then post it to arrive no later than 31st December 2013.

Send your documents to: **PF199 - Perfekt Innovation Campaign, PO Box 3, Diss, Norfolk IP98 1HH.**

You'll also need to include a copy of your sales receipt. For any questions please email [aeg@diss.net](mailto:aeg@diss.net) or phone **0845 099 0019.**

## Please circle the model code overleaf for the AEG product purchased.

Name:	Address:		
Postcode:	Phone:		
Email:	Date of purchase (DD/MM/YY):	/	/
Store name and location:	Signature:		
Serial number:

“...steaming is good for preserving nutrients as well as keeping food moist and flavoursome...”  
Justine Roberts, Mumsnet.

2009 AEG launches the quietest dishwasher in the world.

2011 AEG introduces XXL space and a 3rd water spray arm to ensure sparkling clean results for both delicate glassware and cookware.

With our full size models having up to 10 litres more space than average inside, this dishwasher provides the largest loadable space in the market, for perfect cleaning of every load. Our new ProClean™ dishwashers feature Silent Technology giving our lowest noise level ever. And the Extra Silent programme means you will barely know it is there. The innovative ProClean™ satellite spray arm ensures that every corner of every dish is cleaned perfectly, providing more coverage and using less water. The additional ceiling spray arm gives another dimension to cleaning, which means perfect results every time.

1911 AEG launches first ice and cooling machine.

2011 AEG launches an extra efficient A++ frost free freezer, saving energy and keeping your weekly shop at optimum freshness.

Choose stainless steel or crisp white, our fridge freezers ensure they keep your food in optimum condition and therefore fresher for longer. ProFresh fridge-freezers use professional technology with separate cooling systems. They maintain the ideal climate in the fridge for optimal fresh-food preservation, while ensuring you have perfectly ice-free storage in the freezer. Our high-performing technology saves energy too. A++ models use up to 45% less energy than a standard A-class appliance, while our new generation fridge freezer uses up to 60% less.
