How do I personalise?

The poem is unique and is inspired by a questionnaire that's filled in after you order. From this a character sketch is created using the answers, with words and phrases reused where possible. Please see PDF for an example of the questionnaire.

Tips for making notes: Bespoke voice will ask you questions about the people involved, such as their likes and dislikes, character, nicknames, habits and hobbies, in-jokes and funny stories. You can answer in as much detail as you wish. Note form answers such as bullet points are welcome and a blend of humour and emotion is ideal. Feel free to ignore any questions which are not relevant to your poem, and likewise, add anything that has not been covered. They will try to use all your information but it isn't always possible to include everything.

Once you've placed your order, send your details directly tojohnlewis@bespokeverse.co.uk, including your name, order number and attached questionnaire. Alternatively, a representative will contact you by phone within 3 working days to discuss your order. A proof will be sent to you for confirmation and approval.
Please note: if you are purchasing this as a gift and do not wish for the recipient to be contacted, please ensure that you put your own contact details for this order. You will need to add the photos yourself.
