Washing/drying	3
Dishwashing	13
Refrigeration	21

We're still the only brand in Europe to offer a complete range of large electrical appliances for your kitchen, with A-rated energy efficiency or better. It's something we're very proud of, and means you can be confident that any appliance you buy from us uses less energy, costs less to run and is also more environmentally friendly.

All our washing machines, dryers, fridges, freezers and dishwashers provide great value, with the level of quality, performance and reliability you'd expect from us. What's more, all our appliances are covered by a three-year guarantee (microwaves by a two-year guarantee), at no extra cost.

We offer a range of useful extra product services when you buy your new appliance too, including installation, door adjustments, disposal and recycling. For more details, see page 75 at the back of this brochure, or go online at [johnlewis.com](http://johnlewis.com).

And, of course, whether you're shopping online or in store, you can count on our fair prices, quality products and unrivalled service. It's all part of being Never Knowingly Undersold, our lifelong commitment to you.

## Washing/drying

All our own brand washing machines and washer-dryers are designed for large loads, while being A-rated for efficiency. There are several new features we're excited about, too.

On selected machines you'll now find programmes to look after jeans, give clothes a quick steam clean, and even protect from allergens. We've also reduced the amount of noise our machines produce, with quieter washing and spin cycles available on a number of models. So, whichever model you choose, you can be confident it will ease effortlessly into your home.

JLWVM1605  
Stock number 889 30228

£599

**3-year guarantee**  
Extend to 5 years for £75

If you do a lot of tumble drying you'll appreciate our flagship machine's outstanding 1600rpm spin speed. A nifty flow sensor calculates how much water is required for your load, providing the best wash without wasting water, energy or detergent. Programme information – including time remaining – is provided by the LCD illuminated display.

This outstanding washer dryer boasts a huge 8kg wash load and 6kg drying load – perfect for families with a small kitchen. The 16 wash programmes include delicates, handwash and a quick 20-minute cycle for smaller loads, and there are four drying programmes, including wool. The Steam Refresh programme is great for giving clothes a quick freshen-up, gets rid of creases, and uses a minimal amount of water.

**Please note:** This dryer uses a refrigerant that is condensed by a compressor. John Lewis recommends against situating this appliance in a garage, shed, lean-to or outbuilding, as the lower ambient temperature could affect operating performance and invalidate the warranty.

## Dishwashing

With A-rated performance for washing, drying and energy consumption, our dishwashers offer excellent overall performance, and plenty of room for your plates, pots, pans and cutlery.

We've made improvements to our full-size dishwashers, too. Drying performance is better than ever, and selected models can now fit plates of up to 34cm in diameter. So, you can enjoy using those bistro-style dinner plates you love, in the knowledge that your dishwasher can take care of them. A dishwasher should, after all, make your life easier.

**John Lewis**  
**slim-line dishwasher**  
JLDWW906  
Stock number 817 10202

£349

**3-year guarantee**  
Extend to 5 years for £60

Designed for kitchens with limited space, this is a full-function, slim-line dishwasher for nine place settings. There are six wash programmes including ‘automatic’ which senses the size and soiling of the wash load and sets the time, water and temperature levels accordingly.

A glass programme takes extra care of delicate china and glass at 45°C. All wash programmes can be adapted to 3-in-1, 4-in-1 or 5-in-1 detergent tablets.

**Finish** White

## Refrigeration

All our fridges and freezers are rated A+ for energy efficiency, offering excellent performance, as well as costing less to run.

Each model is designed for easy cleaning and practical storage, while advanced cooling and freezing technology helps food keep its nutritional value and freshness for longer. There are a range of sizes and styles to choose from too, from large American-style fridge freezers, to compact under-counter models for small spaces, and chest freezers ideal for the garage.

All our appliances are perfectly complemented by the John Lewis fitted kitchen range. Please ask our store staff for the John Lewis fitted kitchen and freestanding brochures.

Extend to 5 years for £119

Available online only

This double wine cabinet fridge freezer provides perfect storage conditions for a wide variety of drinks and fresh and frozen foods. The elegant design features stainless-steel doors and sides, with a special anti-fingerprint finish.

The 39-bottle capacity wine cabinet section has a glass window and halogen interior light providing an excellent internal view. Special tempered K-glass protects the wine from infra-red and ultra-violet rays.

Super-cooling air circulation in the fridge ensures better food preservation with a constant and even temperature throughout the compartment, and there are five glass shelves plus five adjustable full-width door shelves for jars and cans. The freezer section is frost-free, with the four removable transparent drawers making loading and unloading easy and ensuring you see the contents.

**Finish** Stainless steel

**Dimensions** H185.5 W109 D57.5cm

**Capacity**  
330 L net storage (fridge)  
78 L net storage (freezer)  
10 kg fast freeze (24 hours)

Available online  
only

With its stainless-steel cladding, this side-by-side wine cabinet fridge freezer makes an imposing centrepiece for your kitchen. Its flexible layout provides excellent storage solutions for all types of wine and fresh food. The wine section can take up to 59 bottles, allowing you to choose the combination - red, white or champagne - that suits you best.

The fridge's cooling system ensures the temperature is the same throughout. There are six easy-to-clean glass shelves, while a large salad drawer maintains perfect temperatures for salads, fruit and vegetables.

The 4-star freezer will store frozen food for up to 12 months, and there are five drawers and two flaps, all transparent so that contents can be seen quickly and easily. An LED display temperature setting gives you peace of mind, sounding a warning to alert you if temperatures rise to an unsafe storage level.

**Finish** Stainless steel

**Dimensions** H185.5 W163.5 D57.5cm

**Capacity**  
330 L net storage (fridge)  
208 L net storage (freezer)

## Making shopping easier for you

### Three ways to shop

We understand that shopping for home appliances can be a big decision, and we want your shopping experience to be as hassle-free and flexible as possible. That's why we offer three ways to shop. You can visit one of our stores, where our Partners can offer impartial advice and in-depth product knowledge, order by phone 7 days a week, or go online at [johnlewis.com](http://johnlewis.com).

Our website offers the same level of service you'd find in our stores, as well as buying guides, and recommendations and reviews from other customers. Shopping on the go is now easier too, with a special version of [johnlewis.com](http://johnlewis.com) for your mobile.

Whichever way suits you best, you can enjoy free standard delivery on orders over £30, and choose from a range of other convenient delivery options, including named day and weekday evening.

### Experts on hand

Once you've chosen your new appliance, we can also offer a range of product services to help get it up and running. Our experts can install your new appliance, reverse fridge doors and even take away your old appliance to be recycled or reused. For more details and prices, go to [www.johnlewis.com/installation](http://www.johnlewis.com/installation)

And if you're looking to plan your dream kitchen, our fitted kitchen service offers a range of stylish solutions for a range of budgets, all boasting a high level of craftsmanship and attention to detail. To see the range and find out more speak to one of our Partners in store, or go online.

### Never Knowingly Undersold

It's a promise that began 80 years ago, and it's still going strong today. To us, value means much more than being competitive. It's about all those extras that are worth a lot, like impartial advice, or feeling confident that the product you've just bought will last. So whether you're shopping online or in store, you can always count on our fair prices, quality products and excellent service.

You can read the full Never Knowingly Undersold policy online, or pick up a leaflet in our stores.

### Guarantees

Our guarantees ensure that our service doesn't end with your purchase. All our own brand home appliances come with the peace of mind of a three-year guarantee, (microwaves two-year) at no extra cost. You can also buy a John Lewis Home Appliance Plan to include potential repair costs that occur once the guarantee has expired.

You can buy a Plan from us when you purchase your item, or if you prefer you can wait and buy it within 30 days of your purchase. To find out more, please visit your local store and pick up the relevant plan leaflet or talk to one of our Partners. You'll also find more information at [www.johnlewis.com/serviceplan](http://www.johnlewis.com/serviceplan) or by calling us on 0844 871 7771.

Guarantee

Three-year service guarantee

All John Lewis appliances are covered by our three-year guarantee (microwaves two-year), provided at no extra cost. This provides you with a repair service in the event of a breakdown of any mechanical parts of your product. This does not affect your statutory rights.

We provide the repair service without charge, up to a cost equal to the original purchase price paid for the product. All repair services are carried out by authorised service technicians.

If we can't repair your item, we'll replace it with an item of equivalent specification. If no equivalent product is available we'll discuss an alternative settlement with you, and we'll always do our best to make sure you are satisfied with the outcome.

During your guarantee period should you have any questions, please contact your local John Lewis store and to talk to one of our Partners.

Delivery and Installation

On home appliances we offer free delivery within a wide delivery area when you purchase in store and online.

Timed deliveries, installation and disposal services are available at an additional charge. You can find out more by contacting your local store or visiting [www.johnlewis.com/installation](http://www.johnlewis.com/installation)

Terms and Conditions

**For full Terms and Conditions** Please visit our website at [www.johnlewis.com](http://www.johnlewis.com) and click on Customer Service. Your statutory rights are not affected.

**Pricing policy** We set highly competitive prices for all our products, with a dedicated team regularly checking them against other high street competitors. If we find a national high street competitor offering a better nationwide price for the same product, sold with the same service conditions, we'll lower our price to match in all our shops and on our website ([johnlewis.com](http://johnlewis.com)), including when a competitor is having a sale. Just occasionally you may find a temporary difference in price when one of our department stores is matching a local competitor. Our commitment to Never Knowingly Undersold means that whilst prices and services details are correct at the time of going to press they may change over time, prices include VAT at 20% and exclude delivery charges. Correct prices will be notified at the time of ordering, but please check [www.johnlewis.com](http://www.johnlewis.com) or call 08456 049 049 for our current prices. We don't expect you to find a lower price at another high street competitor for the same product, sold with the same service conditions, but if you can, we'll match the price when you purchase or refund the difference for up to 28 days after you've bought from us. \*See our Never Knowingly Undersold leaflet in store or online for details. This publication supersedes all previous publications and is valid from February 2012.

**Supply** All products shown are subject to availability. We reserve the right to refuse to supply any individual or company. You must be over 18 years of age to order from this catalogue.

**Cancellation** You are entitled to cancel your order within 7 working days of receiving delivery. If you wish to cancel your order at any point please call us on 08456 049 049 between 7am and midnight, 7 days a week, or email us at [customerservices@johnlewis.com](mailto:customerservices@johnlewis.com). If you have already received your order and wish to return it, please refer to our refund policy (see below, or online and in our shops for full details).

Our Refund Policy

**Exchanges and refunds** We want you to be happy with your purchase. If you're not, just return the item with proof of purchase and we'll exchange or refund it.

**Proof of purchase** If you want a refund but don't have your original till or gift receipt, your order confirmation or delivery note, we will give you gift vouchers to the value of the current selling price.

**Condition of returns** It is important that returned items are in the best possible condition, so please take reasonable care of them.

**Delivery charges** We will refund any delivery charges shown on your proof of purchase, provided you return the full order. Please see online for our full refund policy covering all items sold by John Lewis Direct.

None of the above conditions affect your statutory rights when goods are faulty, or not as described. For your rights of cancellation under the Consumer Protection Distance Selling Regulations please see online for terms and conditions.

**Our details** For Customer Services, please call 08456 049 049, 7am to midnight, 7 days a week. Email us at [customerservices@johnlewis.com](mailto:customerservices@johnlewis.com) Write to:

John Lewis Direct, PO Box 19615, Erskine PA8 6WU  
Our registered office is: John Lewis PLC, 171 Victoria Street, London SW1E 5NN. Registered in England No. 233462. VAT No. GB232457280

**Accuracy** We take all reasonable care to ensure that all details, descriptions and prices of products appearing in this brochure are correct. We reserve the right to amend these. We take all reasonable care to ensure colours are accurate, however the limitations of print production may mean slight variation. All sizes are approximate.
