Your dream kitchen starts here

Our conditions of sale have been designed to ensure the installation of your new kitchen goes as smoothly as possible.

Every kitchen is different

- Each John Lewis kitchen is made to order.
- The illustrations, drawings and dimensions in our catalogues are intended as a guide only.
- When your estimate is produced, it is your responsibility to ensure that the information and specifications it contains meet your requirements.

Natural materials

- Furniture that uses wood components or wood veneers will display natural grain and colour characteristics that may vary from what is featured in showroom displays and photographs. We cannot supply specially matched components.
- Granite and other naturally occurring stone worktops will also display colour variations and may not match shop-floor samples exactly.

Building work

- If you are having any building work carried out as part of your kitchen project, this must be completed before we can undertake a site visit. Any walls to which kitchen units will be fitted need to be in place, plastered and dry.
- New kitchens cannot be installed in a damp or freshly plastered space.

Timescales

- The time needed to plan and install a kitchen varies from home to home. The ordering timescales we provide are a guide only. We will keep you informed of the progress of your kitchen.

Delivery

- Your kitchen units will be delivered direct to your home on the day advised by your local John Lewis shop. This may involve you having to store them for a day or so until installation commences.
- Units should be stored in a place free from damp.
- It is usual for your appliances, accessories and worktops to be delivered separately during the week of your kitchen installation.

Preparing for installation

- Fitting a kitchen is a building project which will disrupt your routine. The kitchen working area may be unusable for a time. It may be necessary to disconnect services such as gas, water and electricity. Fitting a kitchen creates dust, but our installers will keep your kitchen and agreed working area as tidy as possible.

Installation

- The work will start with the removal of your existing kitchen. We can also dispose of your old kitchen.
- Certain tasks or requirements may only become apparent when your existing furniture and appliances have been removed. Where this is the case, we will let you know what the cost of any necessary work will be.

Doing the job properly

- Installing a kitchen is a complex task. While we try to finish your kitchen during the initial installation period, remedial work may be required. Our installer may make several return visits to your home in order to complete the job.

Specialist worktops

- To ensure a perfect fit, we measure up for specialist worktops such as granite, Corian, quartz, and glass after the main kitchen is fitted.
- Lead times for specialist worktops can range from two to eight weeks depending on the material chosen. During this time we will install temporary worktops to the sink and cooking area only.
- Once the specialist worktops have been manufactured, we will return to fit them.

Payment

- Once you've agreed our estimate, you'll need to pay a 20%, nonrefundable deposit. The balance will be payable two weeks before the delivery day.
- We accept payment by Partnership Card, John Lewis or Waitrose account cards, Switch, Delta, Mastercard, Visa or cash.
- Prices are valid for 28 days from the date shown on your estimate.

Terms and conditions for payment plan

- To qualify for fitted furniture payment plan you need to spend a minimum of £1000 (up to a maximum of £35000) on all fitted kitchens and bathrooms (excluding bedroom).
 - Repayments are monthly with a choice of repayment periods from 12 to 60 months in 12 month increments.
 - Fitted furniture payment plan is only available in store with a minimum deposit of 20% required.
 - ID may be required for the loan application and acceptance is subject to status.
- John Lewis PLC, 171 Victoria Street, London SW1E 5NN, is a Credit Broker (Register no. 724309) for the purpose of introducing the credit provided by Hitachi Personal Finance, a trading style of Hitachi Capital (UK) PLC (Register no. 704348). Colours and designs

- Due to photographic and printing processes some colours may not be a true representation of the product. Please see sample for actual colour. It may be necessary for us to change designs and specifications without prior notice.
