

Direct delivery of Electrolux appliances (Electrolux, AEG, Zanussi)

In order to offer you an extended range of appliances, selected Electrolux, AEG and Zanussi appliances will be delivered direct to you by those approved suppliers or their carriers, rather than via your nearest John Lewis.

- Electrolux will deliver to the majority of UK postcodes within 4 working days* (though postcode exclusions do apply – please see below).
- A representative will call you within a working day of placing your order to arrange your delivery date, so please enter your phone number when you checkout to help them arrange delivery on time.
- If you'd like to add disposal or installation services to your delivery, please call **08456 048 835 before placing your order**. (Please note that deliveries with a service will take longer than 4 working days.)

* Monday – Friday, excluding bank holidays
