Everything you need to live better is right here.

Through in-depth analysis of what you eat, your activity and sleep patterns, UP® is able to intelligently understand you and then guide you to better choices over time.

UP® tracks how you eat, move and sleep, guiding you to make smarter choices.

Make the most of personalised Insight Reports, activity tracking and sleep analysis to become more fit and reach your fitness loss goals.

Say hello to Headspace, with UP24.

The Headspace app allows you to track your progress in meditation, just like UP tracks your progress toward your fitness goals.

As part of your free six-month subscription you'll also get access to the Headspace Singles library, including special meditations to help with sleep and motivation around running. So you'll get off to sleep quicker and reach those step goals even faster.
