# CHANGE

## for the better

If you have an inefficient, old appliance there are many reasons to choose a new Hotpoint. Here are just a few ways we can help out at home...

### REFRIGERATION

Hotpoint Fridge Freezers offer the latest cutting edge cooling technology. The range brings a maximum choice with size and colour, from American style to built-in.

- First day freshness for up to 9 days. Active Oxygen technology reduces bacteria growth by up to 90%, helping you to cut food waste and save money.
- No defrosting ever again. Our range of fully frost-free fridge freezers circulate cold air, preventing the build up of ice crystals.

### DISHWASHING

Hotpoint dishwashers have an array of features to save you time, free you from the kitchen sink and incorporate the very latest in cleaning technology. Choose from full size, slimline & built-in options that will fit into any kitchen.

- 30% more effective at removing the most stubborn dirt, with New Zone wash technology .
- Easier to load, more flexibility. Our unique Flexiload racks make the space perfect for each load.

### DRYING

Hotpoint tumble dryers are not only energy efficient but feature advanced drying technology. They provide ultimate care for your clothes in either condenser or vented options.

- Save energy & protect fabrics with Sensor drying technology, which monitors moisture inside the drum and switches off when the load is dry.
- Keep colours vibrant and fabrics in perfect condition with Anti-ageing technology, which uses a new wave drum for gentler drying.

### WASHING

Hotpoint's washing machine range hosts intelligent features designed to ensure outstanding cleaning performance and make your life easier.

- FIRST for stain removal. Anti-stain technology removes 20 stubborn, everyday stains in one wash.
- Powerful Anti-allergy action removes all major allergens to help protect sensitive skin. Endorsed by Allergy UK.

### COOKING

The Hotpoint cooking range comes with a host of really useful features and with a focus on sleek design and quality. Freestanding and built-in cooking ranges will complement any kitchen style.

- Double oven versatility in a single oven space. Our Openspace oven lets you cook on 4 levels at once or cook 2 different dishes at different temperatures at the same time.
- The right hob for you. Depending on your cooking style choose from superfast induction, responsive & instant gas or electric.

### SMALL APPLIANCES

Hotpoint presents the HD Line. A collection of small appliances bringing high definition results to your home.

- Ultimate design combined with cutting-edge technology delivers a state-of-the-art range of contemporary small appliances.
- From a Steam Blender and Slow Juicer to Coffee Machines, Digital Kettles and Vacuum Cleaners. The Hotpoint HD Line collection of small appliances is designed to deliver unbeatable performance and great results every time
