CREATING YOUR PERFECT KITCHEN

Your kitchen is the heart of your home and we understand how important it is to get everything just right. From design to installation, you can rely on us to create a kitchen you'll love to cook and entertain in for years to come.

We've selected ten inspirational kitchen styles that show what you could achieve in your own home – each one distinctive, beautifully designed and carefully built

85 YEARS OF EXPERTISE

We've been fitting bespoke kitchens since 1932 and we bring all our experience and skills to every kitchen we make.

From designing our ranges to reflect changing styles and the ways we use our homes, to planning and installing your perfect kitchen, we'll make sure every last detail is exactly right.

SOMETHING TO SUIT ANY STYLE

With 23 ranges available in a wide range of finishes, you can be confident we have a solution that is right for you.

Each range has unique features to enhance your design and lots of clever storage solutions to help maximise your space.

You can add finishing touches with our extensive range of sinks, taps and appliances and for added peace of mind all our ranges are made in the UK and come with a 10-year guarantee.

**10-YEAR
GUARANTEE
INCLUDED**

YOUR PERFECT KITCHEN

Start by booking an in-store consultation with one of our Partners.

We'll discuss your ideas, talk you through different styles and functions and help navigate the costs to create your dream kitchen.

You will be able to see a number of our kitchen ranges and touch and feel samples to help choose style and finish.

Once you have narrowed down your choices, you can book a home survey and design visit.

HOME SURVEY AND DESIGN

Our planners will work closely with you, and carefully survey and measure your space.

We'll consider and discuss every detail before designing a kitchen that's tailored exactly to your needs.

We will share the design and meet with you again to ensure everything is right, from door style to handle choices before your kitchen is ordered.

DELIVERY AND INSTALLATION

We will agree a convenient date for your kitchen to be delivered and installed.

Our qualified installers will carry out the work, from removing your old kitchen to installing all appliances and accessories.

All waste and rubbish will be removed, leaving you to enjoy your new kitchen.

For peace of mind all our workmanship comes with a 2 year guarantee.

BEAUTIFULLY BESPOKE

Your John Lewis kitchen is unique; a bespoke, hand-built design that's tailored exactly to your needs and your space.

No two John Lewis kitchens are the same, because no two customers are the same.

HERE TO HELP

From the moment your kitchen is ordered, our dedicated team of Partners will ensure everything runs smoothly, keeping you updated along the way until your kitchen has been completed.

If you need any help, our Partners are just a phone call away. We can offer advice and answer any questions you may have 7 days a week.

Contact them on 0345 6080850.

EVERYTHING YOU NEED, ALL IN ONE PLACE

When you're creating your dream kitchen there are all the extra touches to think about too.

Our unique range of products and services makes it all much easier. We stock everything from beautiful flooring and lighting, to the latest hi-tech appliances and designer tableware.

A MODERN
CLASSIC WITH A
HOMELY FEEL,
this look is defined by
beautiful detailing and
well-considered materials.
Combining warm neutral
tones, the relaxed and
timeless aesthetic creates a
space you'll love coming
home to

Above: Specially crafted end panels and open storage units can be used to create a distinctive look

Top: Baskets add texture and are a practical way to store smaller items

This smooth finish shaker style door when combined with a cast iron knob gives a modern feel

Created with our Carradale
range in painted cashmere with
Jupiter quartz and white oiled
character oak worktops

Above: Tall integrated fridge freezer cabinets are practical and give your kitchen a seamless feel

Top left: Wooden drawers with dovetail joints are a great finishing touch

Left: Create visual interest with open island feature units

DESIGNED TO MAXIMISE SPACE AND STORAGE

a wonderfully practical kitchen,
with the enhanced functionality
of sliding doors. Using a soft
palette and warm wooden tones,
this is an informal and versatile
solution for contemporary
urban living

Above: When worktop space is at a premium, this hanging rail system keeps your utensils within easy reach and your worktop clutter free

Top: This tall corner solution makes the most out of every inch of corner storage space

These tall units with sliding doors offer a clever space-saving solution. An open display can show favourite items, whilst drawers offer plenty of storage for essentials

Created using our House by John Lewis range in light grey and oak light with co-ordinated media and storage unit

Above: Sliding doors with internal lighting offer an opportunity for display on one side whilst keeping items hidden on the other

Top left: Open cabinets can store your kitchen crockery within easy reach. A sliding door can hide cleaning materials but allow quick access when required

Left: Slim pull out drawers can contain a choice of smart storage solutions, keeping everything clutter free, but within easy reach

House by John Lewis Whistler chair navy
Ultra versatile and dynamic, our Whistler chair is the perfect seating solution for all manner of situations 836 12403

Bianco Tipo 45S mini stainless steel sink
807 11418

A SCANDINAVIAN
FEEL, BOTH MINIMAL
YET WARM

combining light grey and
wooden tones, for a practical
family kitchen with an accessible
modernist feel

Above: Mixing doors with open shelving lets you decide what to keep on show

Top: Design cabinets around your freestanding appliances to maintain a minimal look

A peninsula can be used to create a flexible space for cooking, dining or socialising

Created with our Savina
range in painted light grey
with Ceres quartz worktops

Above: When space is a premium, a pull out mechanism offers large amounts of storage

Top left: Use of lighting within open cabinets can enhance your design

Left: Pop up sockets add flexible plug sockets, but give an uncluttered look when hidden away

3 John Lewis Wood ultimate 20 vinyl flooring LD/101 639 07701

SIMPLE, SLEEK
AND LINEAR,

this kitchen's clean lines and
urban feel are the essence
of fuss-free design.

A palette of mineral grey
tones, mixed with dark wood
finishes creates a space that's
contemporary, considered
and cool

Above: Using bold horizontal lines
can create an illusion of space

Top: Staggering wall cabinets
adds interest and a more expansive
work area.

A tall bank of cabinets
with integrated appliances
gives a clean feel

Created using Modena matt in
mineral silver and anthracite with
black oak wooden worktop

Above: Integrated wooden wine rack cabinets are a great way of keeping your favourite bottles organised and out of sight

Top left: These bi-fold wall cabinets add to the minimalistic feel. Mix colours on these doors to add impact

Left: The handleless profile above the door creates the linear feel of this kitchen. A choice of colours available can be used to customise your design

Clean, modernistic design lines, with flat and tubular detailing, mean the profile mixer tap sits comfortably in any contemporary kitchen 80705011

Alessi Tea Rex hob kettle with dragon whistle 73020622

Blanco Andano 500IFA single bowl inset stainless steel kitchen sink This high quality finished stainless steel sink from Blanco will look the part in any modern kitchen 80712169

A MODERN SOLUTION FOR OPEN PLAN LIVING

this kitchen's mix of styles will
make a statement in any home.

Our touch handleless system
and design project door finishes,
create something truly unique

Above: An island with an
integrated downdraft cooker
hood combines style and function

Top: Match beautiful wood
tones with matt door and
worktop finishes

This kitchen utilises our handleless profile system on the island coupled with our touch system on the wall cabinets for a unique design

Created using our Design Project
range in carbon black and ice
white, mixed with Modena matt
range in Springfield dark oak

Above: Our deep pocket door cabinets allow the large full height doors to be hidden away when in use

Top left: A sliding door system offers an alternative to a splash back or tiling on your wall and contain hidden storage

Left: An island corner storage cabinet ensures every inch of space is used
