

CREATE THE LOOK
HOUSE
by John Lewis

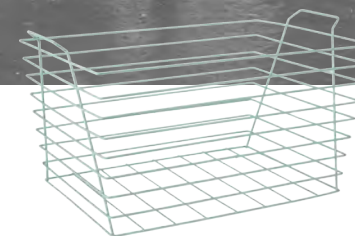

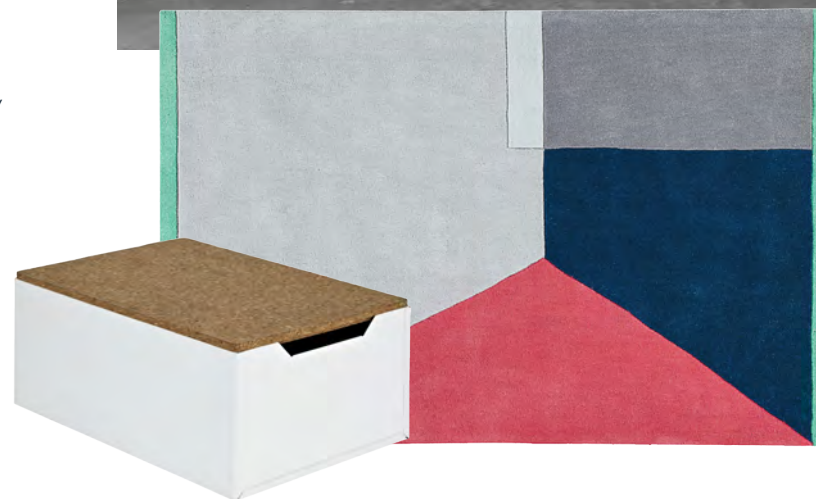

THE COLOURS
Fresh thinking

Here, pops of brights jump out from a stylishly muted palette.

GO BOLDLY

Inject a sense of modernity into your home with coloured accent walls and playful patterns.

THE ACCESSORIES

Contemporary cool

Surround yourself with characterful objects and artful accessories for a fresh modern style.

johnlewis.com/house

Designed to be at the heart of the contemporary home, our House by John Lewis range is a collection of useful and stylish products, created by us with modern living in mind. With smart solutions for small spaces and a fresh colour palette, this collection is practical, well-made and surprisingly affordable. Discover the full range at johnlewis.com/house

THE FURNITURE

Practically perfect

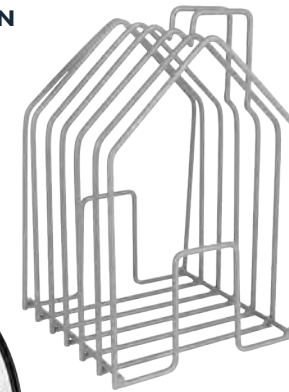

Style and functionality go hand in hand in this look, with useable pieces designed for easy living.

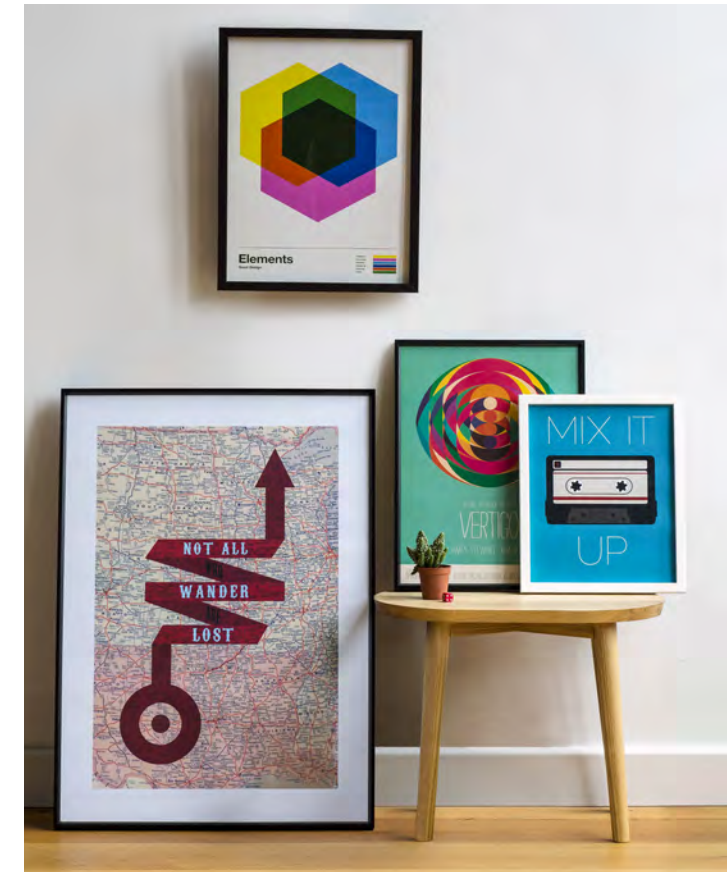

OPEN UP
Make the most of compact urban spaces and adopt an open-plan approach to living and dining.

TAKE A DESIGN APPROACH
Show off a collection of innovative objects that draw the eye and provoke conversation.

Clean lines, bold colour and graphic patterns combine in House by John Lewis.
