John Lewis Appliances
Thoughtfully designed for you

John Lewis Home Appliances combine great looks and performance with the latest technology. From the kitchen to the utility room, we've focused on the things that make a difference every day, with a range that's thoughtfully designed for you.

What's more, we're still the only brand in Europe to offer a complete range of large electrical appliances, all rated A and above for energy – because we know that keeping the bills down matters to you, as well as being environmentally responsible.

And, for extra peace of mind, all your appliances come with a guarantee included at no extra cost. Please check online or in-store for full details.

Our range of extra services helps with those little details, too. We can take care of installation and door adjustments for your new appliance, and disposal and recycling of your old one. To find out more, see page 59 or go online at johnlewis.com.

Washing and Drying Appliances

Whatever your space or however large the load, our appliances have a range of smart, extra programmes to make your life and laundry that little bit easier.

You'll find a washing machine with an anti-allergy cycle for tackling dust and pollen, and models with speedy cycles for when you need a really quick wash. There's also a steam refresh programme for crease-free clothes in a hurry – great for refreshing suit jackets and tailoring. Plus, our new dryers come with a mixed programme that perfectly dries any type of fabric in one load, so you can spend less time sorting and separating.

To help you squeeze more in and keep bills down, all our washing machines, washer-dryer and tumble dryers are also designed for large loads while being A rated for energy efficiency.

A washing machine with a special anti-allergy cycle for when the pollen count keeps rising

Thoughtfully designed for you

John Lewis
1200 spin washing machine
JLWM1206
Stock number 889 30216

£329

A slim design doesn't mean fewer features. With its slim depth, this model squeezes into the tightest of spaces and is packed with a range of helpful programmes, including an extra-quick wash that makes light work of smaller loads in just 20 minutes, saving valuable time and reducing energy consumption, too.

John Lewis
1400 spin washing machine
JLWM1407
Stock number 889 30201

£379

With lots of helpful features, all packed into a space-saving design, this machine makes the most of every inch. The faster spin speed means clothes dry faster, and a range of everyday and special programmes make light work of everyone's laundry, including a speedy 14-minute cycle and anti-allergy programme. Plus, the built-in sensor automatically adjusts the programme to the size of the load.

John Lewis
1400 spin washing machine
JLWM1417
Stock number 889 30205

£399

With a generous 8kg load for squeezing more in, top-rated energy efficiency and lots of helpful programmes, this model is a brilliant all-rounder. The higher spin speed makes drying times faster, and the machine automatically adjusts the wash to the size of the load. And because sometimes all you need is a quick wash, there's a speedy cycle that takes less than 15 minutes.

John Lewis
1400 spin washing machine
JLWM1427
Stock number 889 30202

£449

This compact yet highly efficient washer performs on every level. The inverter motor means high performance with minimal noise – perfect for open-plan kitchens and homes without a utility room – while the large drum means you can squeeze more in. Plus, the special allergen removal programme means less irritation for the house's allergy sufferers, too.

John Lewis
1600 spin extra-quiet washing machine
JLWM1437
Stock number 889 30203

£499

Ultra-quiet yet high performance, this model offers the best of both worlds. The inverter motor is noticeably quieter while washing and spinning, making it a perfect choice if you have an open-plan living and kitchen area, plus with fewer moving parts the machine's design is more stable, meaning it lasts much longer, too. There's a range of programmes to make laundry easier, from a handy 14-minute wash to a special programme to remove allergens from clothing and linens – great for homes with children and allergy sufferers.

John Lewis
heat pump tumble dryer
JLTDH22
Stock number 889 40202

£499

This smart dryer uses heat pump technology to efficiently and quickly dry laundry at lower temperatures for gentler drying while also keeping bills down. Electronic sensors continually monitor the dampness of the load to make sure that clothes are perfectly dried and the automatic reverse drying action means it will always emerge evenly dried and crease-free. What's more, a range of special programmes takes care of everything from bulky duvets to delicate silk.

Please note: This dryer uses a refrigerant that is condensed by a compressor. John Lewis recommends against situating this appliance in a garage, shed, lean-to or outbuilding, as the lower ambient temperature could affect operating performance and invalidate the warranty.

John Lewis
heat pump tumble dryer
JLTDH23
Stock number 889 40204

£599

Because keeping bills down is important to you, as well as being A+ rated for energy efficiency this dryer's extra-large 8kg capacity means you can squeeze more in to every load. Heat pump technology creates a high-performance yet highly energy efficient drying action, while the automatic reverse tumble feature also means that laundry is dried evenly and with minimal creases. Plus, to make life even easier there's a mixed programme for different types of clothing and fabrics, so you can save time sorting and minimise the number of loads, too.

No more hand-washing delicate wine glasses. Thanks to a special cycle they can go in the dishwasher too

Thoughtfully designed for you

Dishwashing

With a range of innovative features designed with busy lives and kitchens in mind, our dishwashers are now even more of a helping hand at mealtimes.

There's a handy new feature that automatically pops open the dishwasher door once the cycle has finished, so that dishes can dry naturally while saving energy too.

Plus, you'll find eco programmes to help keep bills and water consumption down, and cycles such as a quick rinse or an intensive wash for tackling tougher grease and dried-on food. For one less job to do, every model also now comes with technology that senses when the dishwasher is only half full and automatically adjusts the cycle for you.

John Lewis
dishwasher
JLDWW1307
Stock number 817 00208

£299

Cleverly designed to make the most of every inch of space, this machine's standard size belies its capacity, comfortably squeezing in a full 13 place settings. There's a range of programmes, from speedy to an intensive clean, and so that your dishes can dry naturally the door pops open as soon as the cycle's done, which also helps save energy.

John Lewis
60cm electric double-oven cooker
JLFSEC612
Stock number 866 20210

£999

This electric cooker combines a fast, efficient induction hob with a versatile double oven. The hob's induction technology heats up and cools down faster for instant results and greater energy efficiency, and – because spills won't burn, and thanks to the touch controls – it's easy to clean, too. The oven has a variety of functions, including conventional and fan cooking, plus the catalytic lining instantly absorbs grease, so you can leave it longer between cleans.

A fridge compartment always set to zero degrees, so that fish and meat lasts longer and tastes fresher

Thoughtfully designed for you

Refrigeration

We've updated our range of fridges and freezers with even more practical features to help you make the most of every food shop while being as efficient as possible.

Our new fridge freezers now include a zero-degree compartment for storing meat and fish in the perfect conditions, and there's clever circulation technology that ensures an even temperature and humidity on every shelf of the fridge, so you can store any type of food anywhere you like. Plus, each one is frost free, so you can say goodbye to time-consuming defrosting for good.

What's more, from our under-the-worktop space savers to large American-style designs, every model is A rated for energy efficiency, costing less to run while being more environmentally responsible.

John Lewis
compact chest freezer
JLCH102
Stock number 865 70205

£199

Perfect if you need a little extra freezer space, this compact chest freezer squeezes into a small floor area and is suitable for keeping in a garage or outbuilding. It's as efficient as possible, too, rated A+ for energy to help you keep bills down.

low-frost chest freezer
JLCH200
Stock number 865 70203

Product available to view online only.
Can be ordered in store or online.

£349

Because we know that no one enjoys the job of defrosting the freezer, this low-frost model reduces ice build-up by up to 80%, meaning it should only need defrosting every five years. Suitable for storing in a garage or outbuilding, it's perfect for doubling up on freezer space without taking up valuable kitchen space. What's more, the fast-freeze function gets to work quickly, helping preserve fresh food's flavour, nutritional value and colour.

As well as offering plenty of space for big shops, this design is packed with features that make a real difference. The freezer has a zero-degree compartment for perfectly storing meat and fish, and the fridge's MultiFlow technology ensures ideal the temperature and humidity throughout, so that you can keep different types of ingredients anywhere. What's more, the clever design means that there's more internal space than other models with the same external size – so you can shop less and squeeze in more.

JLFFS2032 (stainless-steel)
Stock number 865 60201

£749

At over two metres tall, this fridge-freezer makes the most of its floor space. In fact, the efficient design boasts more internal storage than other models with the same external dimensions. It's packed with impressive features, too, including a zero-degree compartment that keeps meat and fish at its best, and technology that creates a consistent temperature and humidity level throughout the fridge so that you can store different foods and ingredients on any shelf. The separate cooling system also means that the fridge won't dry out, so food stays fresher for longer. Plus, thanks to the frost-free freezer, you can say finally goodbye to defrosting.

Can be ordered in store or online.

£1099

Because we know that saving energy is important to you, this new fridge-freezer is packed with efficient features. The advanced cooling system ensures air is quickly and evenly distributed where it's needed, reducing the temperature faster if the door has been left open, there's an automatic temperature control and the interior LED lighting is brighter, longer lasting and uses less energy than conventional bulbs. What's more, the full no-frost system takes the hassle out of defrosting. Plus, there are some fun features, too, such as the ice and water dispenser's crushed ice option – perfect for cocktails.

Finish
Stainless-steel

Dimensions

Product available to view online only.
Can be ordered in store or online.

£2,999

With its stainless-steel cladding, this side-by-side fridge freezer makes an imposing centrepiece for your kitchen. Its flexible layout provides excellent storage solutions for all types of fresh food.

The fridge's cooling system ensures the temperature is the same throughout. There are five easy-to-clean glass shelves, while a large salad drawer maintains perfect temperatures for salads, fruit and vegetables.

The 4-star freezer will store frozen food for up to 12 months, and there are five drawers and two flaps, all transparent so that contents can be seen quickly and easily. An LED display temperature setting gives you peace of mind, sounding a warning to alert you if temperatures rise to an unsafe storage level.

Finish

stainless-steel side-by-side
wine cabinet fridge freezer
JLESBS002

Stock number 865 50103

Product available to view online only.
Can be ordered in store or online.

£3,299

This double wine cabinet fridge freezer provides perfect storage conditions for a wide variety of drinks and fresh and frozen foods. The elegant design features stainless-steel doors and sides, with a special anti-fingermark finish.

The 39-bottle capacity wine cabinet section has a glass window and LED interior light providing an excellent internal view. Special tempered K-glass protects the wine from infra-red and ultra-violet rays.

Super-cooling air circulation in the fridge ensures better food preservation with a constant and even temperature throughout the compartment, and there are five glass shelves plus five adjustable full-width door shelves for jars and cans. The freezer section is frost-free, with the four removable transparent drawers making loading and unloading easy and ensuring you see the contents.

Making shopping easier for you

Three ways to shop

We understand that shopping for home appliances can be a big decision, and we want your shopping experience to be as hassle-free and flexible as possible. That's why we offer three ways to shop. You can visit one of our stores, where our Partners can offer impartial advice and in-depth product knowledge, order by phone 7 days a week, or go online at johnlewis.com.

Our website offers the same level of service you'd find in our stores, as well as buying guides, and recommendations and reviews from other customers. Shopping on the go is now easier too, with a special version of johnlewis.com for your mobile. Whichever way suits you best, you can enjoy free standard delivery on orders over £30, and choose from a range of other convenient delivery options, including named day and weekday evening.

Experts on hand

Once you've chosen your new appliance, we can also offer a range of product services to help get it up and running. Our experts can install your new appliance, reverse fridge doors and even take away your old appliance to be recycled or reused. For more details and prices, go to johnlewis.com/installation

And if you're looking to plan your dream kitchen, our fitted kitchen service offers a range of stylish solutions for a range of budgets, all boasting a high level of craftsmanship and attention to detail. To see the range and find out more speak to one of our Partners in store, or go online.

Never Knowingly Undersold

It's a promise that began 80 years ago, and it's still going strong today. To us, value means much more than being competitive. It's about all those extras that are worth a lot, like impartial advice, or feeling confident that the product you've just bought will last. So whether you're shopping online or in store, you can always count on our fair prices, quality products and excellent service. You can read the full Never Knowingly Undersold policy online, or pick up a leaflet in our stores.

Guarantees

Our guarantees ensure that our service doesn't end with your purchase. All our own brand home appliances come with the peace of mind of a guarantee at no extra cost. Please check online or instore for full details. You can also buy a John Lewis Home Appliance Plan to include potential repair costs that occur once the guarantee has expired.

You can buy a Plan from us when you purchase your item, or if you prefer you can wait and buy it within 30 days of your purchase. To find out more, please visit your local store and pick up the relevant plan leaflet or talk to one of our Partners. You'll also find more information at johnlewis.com/serviceplan or by calling us on 0330 100 3250.

Guarantee and Added Care

Guarantee

All John Lewis appliances are covered by our guarantee, provided at no extra cost. Please check online or in-store for full details. This provides you with a repair service in the event of a breakdown of any mechanical parts of your product. This does not affect your statutory rights.

We provide the repair service without charge, up to a cost equal to the original purchase price paid for the product. All repair services are carried out by authorised service technicians.

If we can't repair your item, we'll replace it with an item of equivalent specification. If no equivalent product is available we'll discuss an alternative settlement with you, and we'll always do our best to make sure you are satisfied with the outcome.

During your guarantee period should you have any questions, please contact your local John Lewis store and to talk to one of our Partners.

Added Care

Add to your peace of mind with Added Care, you'll enjoy the same benefits for a period of up to 5 years, while also adding further benefits not included in the original guarantee.

You can buy John Lewis Added Care at the same time as you purchase the electrical item, or if you prefer, you can wait and buy it within 60 days of purchasing the item. Whether or not you purchase Added Care, you have various statutory rights that apply to the purchase of your electrical goods.

Your statutory rights include the right to claim for a repair or replacement for up to 6 years (5 in Scotland) if your electrical product was not of satisfactory quality or fit for purpose when we sold it to you. If a fault occurs within the first 6 months, it's up to us to establish that the product you purchased was of satisfactory quality and fit for purpose. However, after the first 6 months, you'll have to prove that the product had a fault when we first sold it to you.

Added Care for your home appliance is provided by The Warranty Group (Isle of Man) Limited.

Extended warranties are also available from alternative providers such as manufacturers and insurance companies. Some household contents insurance policies cover accidental damage.

You can cancel Added Care at any time. If you have not made a claim you cancel within 60 days from the date of purchase and you will receive a full refund of the premium paid. If you have made a claim you will receive a pro rata refund based on the number of full unexpired months remaining on your policy. After 60 days you may cancel the policy and will receive a pro rata refund based on the number of full unexpired months of cover remaining regardless of whether a claim has been made.

We're here to help

Call our Added Care team on 0330 100 3637
8am – 6pm Monday to Friday
9am – 4pm Saturday
9am – 5pm on Bank Holidays

John Lewis Added Care, PO Box 99,
Mitcheldean, GL17 0SX
johnlewis@thewarrantygroup.com

Delivery and Installation

On home appliances we offer free delivery within a wide delivery area when you purchase in store and online.

Timed deliveries, installation and disposal services are available at an additional charge. You can find out more by contacting your local store or visiting johnlewis.com/installation

Customer services 03456 049 049

Our Customer Service team are on hand 7 days a week, 7am to midnight, to answer any questions or queries you might have. (Please refer to your service provider for charges).

Please ask our store staff for our John Lewis fitted kitchens and electrical appliances brochures.

Terms and Conditions

For full Terms and Conditions Please visit our website at johnlewis.com and click on Customer Service. Your statutory rights are not affected.

Pricing policy We set highly competitive prices for all our products, with a dedicated team regularly checking them against other high street competitors. If we find a national high street competitor offering a better nationwide price for the same product, sold with the same service conditions, we'll lower our price to match in all our shops and on our website (johnlewis.com), including when a competitor is having a sale. Just occasionally you may find a temporary difference in price when one of our department stores is matching a local competitor. Our commitment to Never Knowingly Undersold means that whilst prices and services details are correct at the time of going to press they may change over time, prices include VAT at 20% and exclude delivery charges. Correct prices will be notified at the time of ordering, but please check www.johnlewis.com or call 08456 049 049 for our current prices. We don't expect you to find a lower price at another high street competitor for the same product, sold with the same service conditions, but if you can, we'll match the price when you purchase or refund the difference for up to 28 days after you've bought from us.

*See our Never Knowingly Undersold leaflet in store or online for details. This publication supersedes all previous publications and is valid from May 2016.

Supply All products shown are subject to availability.

We reserve the right to refuse to supply any individual or company. You must be over 18 years of age to order from this catalogue.

Cancellation You are entitled to cancel your order within 7 working days of receiving delivery. If you wish to cancel your order at any point please call us on 03456 049 049 between 7am and midnight, 7 days a week, or email us at customerservices@johnlewis.com. If you have already received your order and wish to return it, please refer to our refund policy (see below, or online and in our shops for full details).

Our Refund Policy

Exchanges and refunds We want you to be happy with your purchase. If you're not, just return the item with proof of purchase and we'll exchange or refund it.

Proof of purchase If you want a refund but don't have your original till or gift receipt, your order confirmation or delivery note, we will give you gift vouchers to the value of the current selling price.

Condition of returns It is important that returned items are in the best possible condition, so please take reasonable care of them.

Delivery charges We will refund any delivery charges shown on your proof of purchase, provided you return the full order. Please see online for our full refund policy covering all items sold by John Lewis Direct.

None of the above conditions affect your statutory rights when goods are faulty, or not as described. For your rights of cancellation under the Consumer Protection Distance Selling Regulations please see online for terms and conditions.

Our details For Customer Services, please call 03456 049 049, 7am to midnight, 7 days a week. Email us at customerservices@johnlewis.com
