Artisan Kettle

Featuring a soft-touch handle, a multi-directional 360-degree base and cool touch side walls, the **Artisan Kettle** is safe, easy to use and ideal for both right- and left-handed people. Select a temperature, ranging from 50-100°C, by using a simple slide button. The kettle quickly heats water to the desired temperature so you can make perfect hot drinks, soups or sauces. With such close control over the temperature you can make hot drinks exactly to your taste. It's recommended that coffee is made with water at 95°C, white tea at 70°C and green tea at 80°C. Experiment with this feature and transform the hot drinks you make at home.

Artisan Toaster

The **KitchenAid Artisan Toaster** is a contemporarily designed appliance that will bring a touch of style to your kitchen. This toaster uses 2500 watts of power which enables it to toast your bread rapidly and effectively. With a 7-shade setting, it's easy to toast your bread to exactly the level you like it and it's simple to keep track of progress thanks to an LED countdown timer that will show you how long is left. When finished, an auto sensor enables the **Artisan Toaster** to automatically lift your toast up in the slots, while a warming feature will keep it heated until you're ready to remove it.

KitchenAid Toaster

With its curved lines and modern appearance, the **KitchenAid Toaster** will do what it was designed to do - make great toast. With seven browning functions to choose from, you can pick your perfect browning preference with a control dial on the front of the toaster. There are several convenient functions to choose from, including a three minute keep warm function, defrost mode, a bagel function and also a toast cancellation button which is a motorized lower and lift system. Its all-metal body means it's sturdy and reliable, especially for thicker toasts or pastries with its two extra wide slots. If you are looking for a practical and classy toaster with a removable crumb tray, you need go no further than this **KitchenAid Toaster**.

KitchenAid Kettle

Preparing the water for your favourite morning pick-me-up with the **KitchenAid Kettle**. The digital display allows you to select the precise temperature you require, with six choices available ranging from 50°C to 100°C. Additionally, a hold temperature function will keep the water at a specified temperature for up to 30 minutes - perfect for when you're thirsty and fancy a quick refill. A smart sensor will display the temperature of the water on screen, so you can quickly see if a re-boil is required. The kettle's sleek finish really looks the part in any modern kitchen. It's cordless and comes with 360-degree rotatable base for easy use. A 3000 W concealed element boils water quickly and the 1.7 litre capacity is perfect for everyday use. Choose design and functionality with the **KitchenAid Kettle**.
