

Features

- The simple gliding action of the tambour doors allow for easy access to your home storage and can be left open to use the unit as a showcase.
- Inside the TV unit and sideboard you will find two compartments with adjustable glass shelving.
- Side table features 3-leg design and a floating shelf below offering both beautiful design and high functionality.
- The roll top desk provides inside storage for laptops and a clever pull out work top.

Grayson

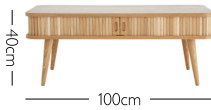

Grayson

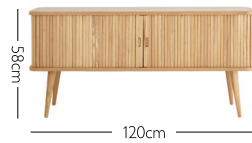

The Grayson range is made from ash wood solids and veneers which makes a statement in any living space. A combination of the striking sliding tambour doors and splayed solid wood turned legs, give the pieces a uniquely stylish edge with a hint of mid-century detailing.
