WELCOME TO OUR LAID-BACK WORLD!

Here's what goes into a Loaf sofa...

Feather-wrapped foam seat cushions: the comfiest combination we've ever tested (trust us, we've tested a few)

Weathered oak feet which take an age to get just right
– no veneers for us, thank you very much!

A solid timber frame that's so strong it has a ten-year guarantee (just to be on the safe side, but we don't think you'll need it)

HANDMADE RIGHT HERE IN BLIGHTY
