

CREATE THE LOOK MAISON

johnlewis.com/maison

Dedicate a quiet corner for correspondence with a bureau or writing desk and an upholstered chair. At the window, let light flood in with voile curtains in a delicate toile or floral print.

THE FABRICS
Natural textures

Opt for fresh linens and cottons, and combine with warm woollen knits for winter. Store in wicker baskets or an elegant armoire.

An upholstered bedstead, and linen embellished with delicate piping, crochet or lace, create a sense of charm and elegance. Add a little luxury with a chandelier.

Limed walls, stripped oak furniture and whitewashed floors harmonise beautifully, and create a comfortable country setting.
