

John Lewis

Match

Match

John Lewis' Match offers the flexibility to create your own contemporary, self assembly living room and storage furniture. Italian designed and manufactured, Match offers a quick and easy solution. Rich modern woodgrains or simple matt white cabinet can be mixed with lustrous gloss white, gloss grey, matt stone and woodgrain doors. Push latch handles allow for a streamlined modern finish. Add a media backboard for an extra touch of elegance and personalise your storage with U-shape shelf inserts or internal drawers.

For a customised living room or storage solution, please speak to one of our selling Partners.
A selection of Match combinations are available online at johnlewis.com

Step One

Choose your cabinets
