

The lucky
winner will receive a
3 night stay for 4 people
in The West Wing of the
luxury accommodation
and see where the
mattresses are
grown.

Set in 300 acres of beautiful North Yorkshire countryside – the Spink and Edgar farm produces hemp, lavender, flax and wool that are all used in the construction of the John Lewis natural collection beds.

The manor house is a grade II listed building with unique heritage tracing back to the Roman times, which has been lovingly restored to its former glory.

www.horningtonmanorholidaylets.co.uk

All entries must be received by the 30th November. Valid for all natural collection mattresses purchased between the 14th and 31st October.

Please complete your details below and post along with your receipt to: Farm Events Manager, Spink & Edgar, Westland Road, Leeds, LSTI 5SN.
