How it works

Purchase a qualifying Samsung Smart TV between 16th October and noon on 24th December 2014, and then purchase an additional Samsung TV or Audio Visual product(s) within 28 days of your original TV purchase from the same store and then apply for your reward. It’s that easy!

Please remember to keep your receipts safe as you will need these to submit a claim. Your claim has to be made within 28 days of your second purchase.

The maximum value of the ‘Reward’ is determined by the model and size of TV purchased and could be up to £300 (please refer to the Reward Values below for details). The value of your second Samsung TV or Audio Visual purchase (single or multiple) determines the exact amount you’ll receive back. So if you spend £150 on a second TV or Audio Visual purchase but the ‘Reward’ value specific to your qualifying TV purchase is up to £200 you’ll receive £150 back. If you buy a second TV or Audio Visual product exceeding the ‘Reward’ value you’ll receive the full reward amount back.

1. What is a valid proof of purchase?

You will need to submit a copy of your TV receipt and second Samsung product receipt as proof of purchase. These should include details on product(s) purchased, VAT information, store details and purchase date.

Please note that we can only accept one claim per qualifying Samsung TV purchased so please ensure that you attach all relevant receipts of subsequent Samsung purchases made within the 28 days from the same store when you submit your claim.

2. What happens if I lose my receipts?

We will not be able to process your claim without valid receipts accompanied with all of the information requested on the claim form.

3. What happens if my claim gets lost in the post?

We strongly recommend that you send your claim by Registered Post so the items can be tracked. Proof of posting will not be accepted as proof of receipt. No responsibility can be accepted for claim forms lost, damaged or delayed in transit (postage costs cannot be claimed). Alternatively, consider redeeming online and uploading your proof of purchase details and other supporting documentation safely and securely.

4. How will I know my claim has been validated?

You will receive an email from us within 7 days of submitting your claim, confirming that your claim has been validated. We will then issue a cheque or BACS payment to the value of the applicable Reward Amount.

Please contact our Customer services Claims Helpline on 0845 3450907 who will verify that your claim has been received and validated; they will then be able to clarify when you will receive your cash reward.

6. How long will my cash reward take to arrive?

We will aim to despatch cheques or process BACS payment (depending on your chosen payment method) within 28 days, although if participation in the promotion exceeds expectations this may take up to 56 days.
