

## UNIFORM AND SHOE FITTING

Our Partners will be happy to help with uniform fitting and online ordering when you visit. We also offer an expert shoe-fitting service in all our shops.

## SPECIAL SIZES

If you need school-specific uniform in a size we don't normally offer, we'll be happy to order it.

Please ask a Partner for more details when you visit, and remember to leave plenty of time for us to complete your order before term begins; six weeks is ideal.

## MADE TO LAST

All our John Lewis trousers, skirts and tunics come with added Teflon protection to help them look good for even longer.

## NAME LABELS

Essential for when things go astray, remember to add these when you order.
