

For use

We recommend cleaning with a soft dry cloth. Do not use abrasive materials as these will damage the finish.

Recommended bulb

1 x 40W

SES Golf

or

1 x 3W

SES Dimmable LED Energy Efficient Golf Ball

or

1 x 28W

SES Eco Halogen Golf Ball

When changing a bulb, always switch off at the mains and allow the bulb to cool before handling. Dispose of used bulbs carefully. Do not exceed the wattage stated or use a different shape bulb from that indicated on the fitting.

Specification

Maximum wattage: 40W

Voltage: 240V, 50Hz

IP Rating: 20

Weight: 2.1kg

Table Light

01/02/2017

Thank you for purchasing the Chelsea Task Lamp. Please read the instructions carefully before use to ensure safe and satisfactory operation of this product. Please keep these instructions for future reference.

Warnings!

Please read these instructions carefully before commencing any work.
For your safety, always switch off the supply before changing lightbulbs, cleaning or removing shades. Always take care when handling lightbulbs to avoid injury in case of breakage.
If the flexible external cable becomes damaged, it should only be replaced by the manufacturer or suitably qualified person.

This product is Class II (double insulated) and must not be earthed.

Parts List

Light Fitting		1
---------------	---	---

Assembly

Carefully unpack the carton, making sure all the parts are present before assembly.

Step 1

Fit the recommended bulb as per the details overleaf. Please note the dimmer will not function if a bulb of less than 25W is used. Suitable dimmable LED energy saving bulbs may be used, please check compatibility of bulbs before installing.

Step 2

Plug into the mains and switch on by touching the metal base. There are three levels of brightness - touch to turn on, to increase the brightness, and then to turn off.
The head tilt can be adjusted using the handle. Be aware the shades can get hot, please only use the handle. Your table lamp is now ready for use.
