# Product assembly

15kg Concrete Parasol Base

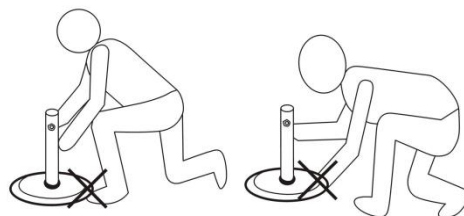

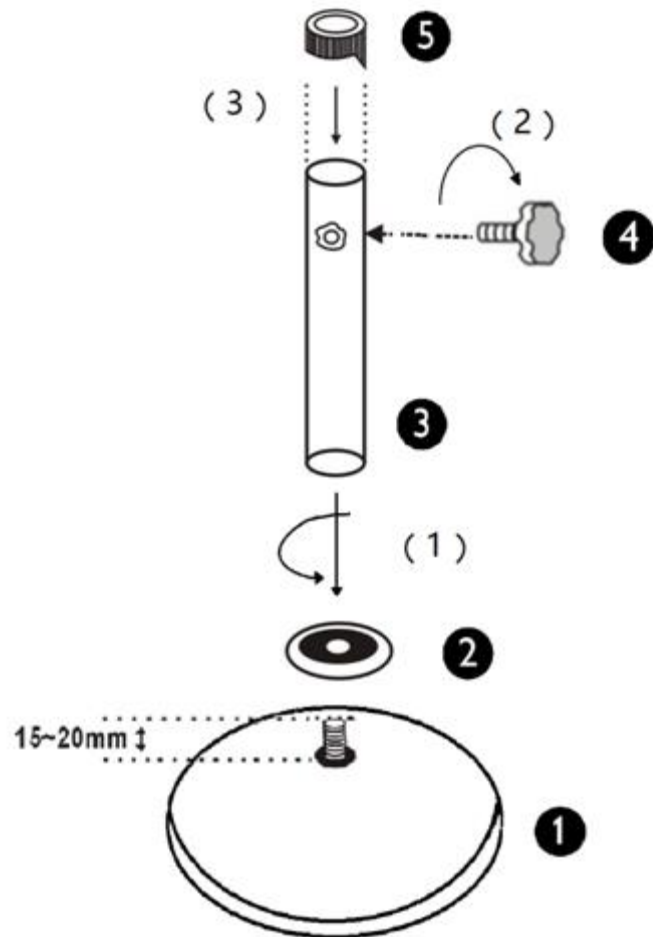

82011501

## Step1

Parts, fittings and tools

1 2 3 4 5

Attach Tube (3) and Decorative Ring (2) to Base (1) by screwing into place. Insert the appropriate Pole Size Adaptor (5). Then, insert the parasol and gently tighten Locking Nut (4) to keep the parasol in place.

## **Care guide**

### **Care and maintenance**

Do not drop or scrape anything against the surface of the base as this will damage the finish.

Regularly clean with mild soapy water to maintain surface finish.

Do not drop the base as this may cause the product to shatter.

### **Safety instructions**

This parasol base has been designed for domestic use only.

Parasol bases can be dangerous if incorrectly installed or assembled, it should be carried out by a competent person.

No liability will be accepted for damage or injury caused by incorrectly installed or assembled parasol bases.

Parasols should not be used in high winds or during inclement weather.

This parasol base must always be filled to the top.

Never drag a parasol when moving it, always lift it.

Periodically check all fixings to ensure none have come loose and re-tighten where necessary.

Ensure that the parasol base is always on a solid and level surface at all times.

Retain these instructions for future reference.
