## Care guide

### Care and maintenance

This product is made from powder coated aluminum and is suitable for outdoor use.

Please make sure that all surfaces are protected from heat and liquids by mats and coasters. Wipe up any spills immediately and make sure that a mat or pad is placed under any paper if writing.

To extend the product life and appearance it is recommended to store the furniture in a cool dry, well ventilated place such as a garage or shed over winter or during periods of unseasonal weather.

Ensure that the furniture is clean and completely dry before putting in to storage. Do NOT enclose the product in a plastic or other non-permeable material as this promotes rust. Cover it with a dust sheet or furniture cover allowing the air to circulate around it.

We recommend that you clean your furniture at the beginning and end of the season. To clean the furniture remove all dirt using mild soap and water. Never use abrasive chemicals or cleaning agents. Rinse thoroughly and allow to dry. Bird droppings and tree sap should be cleaned off immediately.

If your furniture comes with cushions, when not in use it is recommended that they are stored in a clean and dry environment. Wipe up any spills immediately and always refer to the care label which will either be sewn to the back of the cushion or sewn inside if your cushion has a zip closure.

### Safety instructions

This furniture has been designed for domestic use only.

Furniture can be dangerous if incorrectly installed or assembled, it should be carried out by a competent person.

No liability will be accepted for damage or injury caused by incorrectly installed or assembled furniture.

It is recommended that before moving heavy objects to a new location they are completely dis-assembled to avoid personal injury or damage to the furniture. Please be careful to retain all fittings when doing this.

Never drag furniture when moving it, always lift it.

Periodically check all fixings to ensure none have come loose and re-tighten where necessary.

Please take care when handling or moving the furniture as careless handling may cause damage or injury.

Ensure that the furniture is always on a solid and level surface at all times.

With all articulated furniture, please exercise care when folding, unfolding and adjusting positions to avoid any possibility of pinched or trapped fingers.

#### Important safety note:

Never tilt the chair. Ensure the chair is always placed firmly on the ground.

Regularly check leg attachment and retighten screws as necessary.

Do not use chair if legs are unstable. Please check fixings and tighten as required.
