Made in China

Thank you for purchasing this John Lewis Emilia crystal wall light.  
carefully before use to ensure safe and satisfactory operation of this product. Please  
keep these instructions for future reference.

Warnings!

The fitting is class II.  
This fitting should be fitted in accordance with IEE Regulations and the Building  
Regulations. If in any doubt, or where required by law, consult a competent  
person who is registered with an electrical self-certification scheme. Further  
information is available online or from your Local Authority.  
To prevent electric shock switch off at the mains supply before installing or  
maintaining this fitting. Ensure other persons cannot restore the electricity supply  
without your knowledge.  
If you are in any doubt, please consult a qualified electrician.  
If replacing an existing fitting, make a note of the connections.  
Always use the correct type and wattage bulb. Never exceed the wattage stated.  
When changing a bulb, always switch off at the mains and allow the old bulb to cool  
down before handling.  
Dispose of used bulbs carefully.  
**CAUTION! The bulb and surrounding parts can become hot during use.**

Care instructions

We recommend cleaning with a soft dry cloth.  
Do not use abrasive materials as these will damage the finish.  
Indoor use only.  
Replace bulbs from John Lewis or established brand of the same type and compatibility.

Assembly

Ensure the house electricity supply is  
switched off at the fuse board.

Step 1  
Ensure that the bracket (supplied is fixed to a  
wall which will support the weight of the  
fitting.

Step 2  
Connect cables or terminals as shown below:

Check all wires are tight in the terminal  
block, and no loose strands are left out.  
Cover with insulating tape (not included).

Step 3  
Attach wall light to bracket, then attach  
crystal chain to main frame. Fit the light bulb  
into the lamp holder. **The maximum  
power indicated must not be  
exceeded.**

Step 4  
Attach aluminium rods to main frame as  
shown.

Switch on the electricity supply at the fuse  
board.
