Care guide

Care and maintenance

Fabric ottoman boxes

This ottoman box should be cleaned using a soft, damp cloth and dried immediately. Do not use a very wet cloth or allow any liquid contact for a long period of time as this can permanently damage the surface.

Do not use detergents and do not rub as this can cause permanent damage.

Always protect your ottoman box from direct sunlight as this may accelerate the natural on-going discolouration process.

Safety instructions

Never drag furniture when moving it. Always lift it.

Do not climb or stand inside the storage compartment.

Periodically check all fixings to ensure none have come loose and retighten when necessary.

Please take care when handling or moving the furniture as careless handling may cause damage or injury.

Furniture can be dangerous if incorrectly installed. Assembly should be carried out by a competent person. No liability will be accepted for damage or injury caused by incorrectly installed or assembled furniture.

During assembly children should be kept away from the product due to possible risk of injury.

Do not use this item if any components are missing or damaged.
