Warnings

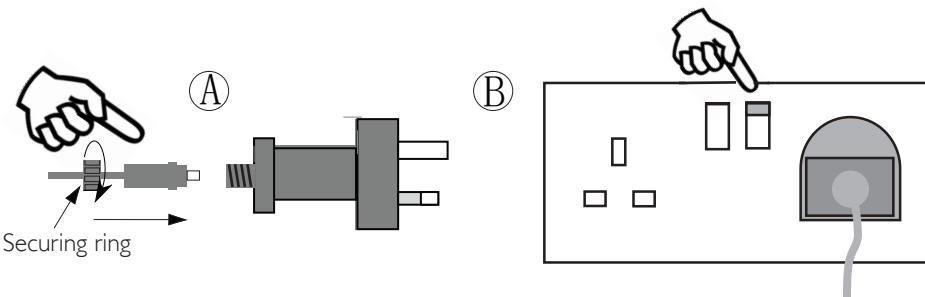

This product is suitable for Indoor and Outdoor use, the transformer must be plugged indoors. Keep out of the reach of children and pets.
Ensure there is adequate airflow around each bulb.
Do not damage the insulation of the cable.
Do not connect the light set electrically to any other light set.
Do not connect the product directly to the mains. Only use the light set with the transformer supplied.
Do not expose to direct heat or flame.
Disconnect from the mains when not in use.
If the cable of the product is damaged the product must be destroyed.
When changing a bulb always switch off at the mains first.
Do not remove or insert lamps whilst the chain is connected to the supply.
Ensure that all lamp holders are fitted with a lamp and they are securely fitted to prevent water ingress.

Care and maintenance instructions

This product is fitted with replaceable LED bulbs.
Only use 36V DC 0.5W ES LED bulb(s).
We recommend cleaning with a soft, dry cloth. Do not use abrasive materials, as these will damage the finish.

Installation instructions

- 1) Carefully remove the product from the packaging and unravel the cable ensuring there are no twists or snags.
- 2) Decide where the product is to be displayed. Take care when deciding to prevent a tripping hazard.
- 3) Connect the plug located on the end of the light set into the transformer and secure in place using the securing ring (A).

To use

Plug the transformer into a mains socket and switch on.
