WITH REVOLUTIONARY J-TEX™ SPRUNG BASE

The JAY-BE® Pioneer folding bed is lightweight and easy to use. Its compact design when folded allows it to be stored just about anywhere. It folds out in seconds and the breathable Airflow Fibre mattress works in harmony with the J-TeX® sprung base system for full body support. J-TeX® is a high performance PVC coated polyester fabric,

specially developed for ultimate endurance and strength, proven to resist stretching and maintain its shape, even under the most extreme use. All JAY-BE® folding beds are made in the UK and come with a FREE lifetime frame guarantee for your complete quality assurance.
