Warnings!

This fitting is class II

This fitting should be fitted in accordance with IEE Regulations and the Building Regulations.If in any doubt, or where required by law, consult a competent person who is registered with an electrical self-certification scheme. Further information is available online or from your Local Authority.

To prevent electric shock switch off at the mains supply before installing or maintaining this fitting. Ensure other persons cannot restore the electricity supply without your knowledge.

If you are in any doubt, please consult a qualified electrician.

If replacing an existing fitting, make a note of the connections.

Always use the correct type and wattage bulb. Never exceed the wattage stated.

Caution! The bulb and surrounding parts can become hot during use.

Care instructions

We recommend cleaning with a soft dry cloth.

Do not use abrasive materials as these will damage the finish.

Indoor use only.

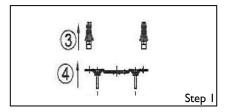

Replace bulbs from John Lewis or established brand of the same type and compatibility.

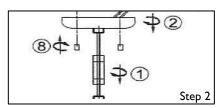

Parts list

Carefully unpack the carton making sure all parts are present before assembly. Place lamp parts on a flat surface as per sketch. Ensure the house electricity is switched off at the fuse board.

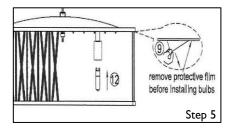

Assembly

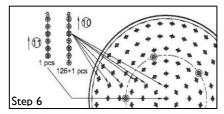

Step I

Fix bracket 4 onto ceiling by using screws 3. Ensure that the bracket is fixed to a wooden joist, or use a suitable fixing to the ceiling which will support the weight of the fitting.

Step 2

Screw centre rod $\widehat{1}$ to the main frame, then attach ceiling plate $\widehat{2}$ to centre rod $\widehat{1}$.

Step 3

Connect cables or terminals (6) as shown below:

Supply	Light Fitting
BLACK (NEUTRAL)	- S S BLUE (N)
SWITCHED LIVE -	BROWN (L)

Check all wires are tight in the terminal block 6, and no loose strands are left out.

Cover with insulating tape (not included).

Step 4

Push up ceiling cup 2 to mounting bracket 4, then secure with finials 8.

Step 5

Remove the protective film 9, then fit the light bulbs 12 into socket. The maximum power indicated must not be exceeded.

Step 6

Attach crystal chain 11 to central hole, then attach all crystal chains 10 working from inner outwards.
