### Care guide

### Care and Maintenance

Do not use a wire brush when removing dirt from this item as it may damage the paint leaving the surface open to corrosion.

To extend the product life and appearance it is advisable to store the furniture in a cool dry place over winter. Ensure that the furniture is clean and completely dry before putting into storage. Do NOT enclose the product in a plastic or other non-permeable material as this creates moisture.

### Safety Instructions

Never drag furniture when moving it, always lift it.

Periodically check all fixings to ensure none have come loose and re-tighten where necessary.

Please take care when handling or moving the furniture as careless handling may cause damage or injury.

This furniture has been designed for domestic use only.

Do not use the table as a ladder.

Furniture can be dangerous if incorrectly installed. Assembly should be carried out by a competent person. No liability will be accepted for damage or injury caused by incorrectly installed or assembled furniture. If the glass is chipped or broken stop using the product and consult the manufacturer or supplier.

### **WARNING:**

- a) Do not place very hot or very cold items directly on glass surafces.
- b) Do not sit or stand on glass surfaces.
- c) Do not strike the glass with hard or pointed items, or use the glass as a chopping surface.
- d) Do not use washing powders ir any other sustances containing abrasives, as these may scratch the glass. Handle with care! A damaged edge or scratched surface can in rare cases cause the glass to fail unexpectedly into many small pieces. Glass is most vulnerable when struck from the side.
