To Prevent Fire: Burn within sight. Keep away from children and pets. Do not burn candle on or near anything that can catch fire. For best results, burn until wax melts evenly across the entire surface, not exceeding 4 hrs. Trim wick to 6mm each time candle is lit. Keep the wax pool clear of matches and other debris to avoid flaring and formation of secondary wicks. Avoid drafts. Never touch or move a hot candle. Never leave a burning candle unattended. Always leave at least 10cm between burning candles. Place on a flat heat resistant surface away from draughts.</p> <p>Contains: Fragrance (Coumarin) May produce an allergic skin reaction. Toxic to aquatic life with long lasting effects.</p> <p>© Morris & Co. Manufactured under license for Morris & Co. by Heathcote & Ivory Ltd.
