

#### **Ingredient quality protected. With Superior 360° Cooling**

Ensure food retains optimum quality for longer with the 700 Cooling 360°. The fridge uses a circulation system to constantly move chilled air into every corner, preserving texture, nutrients and flavours. While the stainless-steel interior restores cool temperatures after every open door.

#### **Product Benefits & Features**

##### **Quick-opening doors. Minimum-effort accessibility**

Easy access to the fridge with the quick-opening door system. The fridge actively supports the opening effort through a system that pushes the door outwards as the handle is pressed.
