

### Cooling every corner. Full flavour in every bite

Texture of your ingredients protected in every corner with Cooling 360°. All-around air circulation flows cold air in every corner, through efficient air vents. Innovative real stainless-steel back restores temperatures quickly after every open door. For lovingly sourced produce kept mouth-watering.

### Product Benefits & Features

#### Every corner. Thoroughly chilled. With Cooling 360°

Cooling 360° fridge features advanced air circulation. The specially designed system circulates cool air into every corner. Real stainless-steel back, brings a premium design, while cooling down faster after door opening. Confidently protecting the rich texture of each ingredient.

#### Let your kitchen stand out, with the outstanding DesignLine.

The fridge's sleek, contemporary design is brought to life with quality materials. For a seamless, modern kitchen.

#### Adaptable for every taste, with CustomFlex®

Keeping all your fresh ingredients to hand is key to creating fresh, delicious dishes. With CustomFlex® you can organise your fridge storage just the way you want. Rearrange bins quickly and easily to maximise storage space. The fridge that adapts after your taste.

#### Extra Chill drawer. For delicate fresh cuts

Slow down the maturation of your favourite cheeses and cold cuts by storing them in the Extra Chill drawer. The zone maintains a lower temperature than the rest of the fridge.

#### Ten-years peace of mind

Ten-year warranty on the Compressor provides maximum peace of mind. The warranty includes labour, transportation, gas removal and refilling, general maintenance, and service costs.

- Net capacity freezing compartment: 94 l
- Net capacity refrigeration compartment: 208 l
