
Caring for your product

We recommend cleaning with a soft dry cloth. Do not use abrasive materials as these will damage the finish.

Glass parts - Remove and wash in warm water or just use a damp cloth. Do not use abrasive materials as these will damage the finish.

TRUMPET TOUCH LAMP USER GUIDE

Introduction

Thank you for purchasing this Trumpet TL touch.
Please read the instructions carefully before use to ensure safe and satisfactory operation of this product.

Warnings

This is a Class II product and must NOT be earthed.

Please read these instructions carefully before commencing any work.

For your safety, always switch off the supply before changing lightbulbs, cleaning or removing shades.

Always take care when handling lightbulbs to avoid injury in case of breakage.

If the flexible external cable becomes damaged, it should only be replaced by the manufacturer or suitably qualified person.

Parts list		Qty
Light fitting		1
Shade		2
Shade ring (B)		3

Recommended bulb

Recommended bulb (not included)

1 x 6W SES LED Golf Ball (dimmable)

When changing a bulb, always switch off at the mains and allow the bulb to cool before handling. Dispose of used bulbs carefully. Do not exceed the rated power stated or use a different shape bulb from that indicated on the fitting.

Product installation

1

Carefully unpack the carton, making sure all the parts are present before assembly. Ensure all packaging has been removed.

2

To attach the glass shade remove shade ring (B) from threaded body (A), place glass shade over threaded body (A) and replace the shade ring (B), tighten with light pressure.

Fit the recommended bulb.

Please note the dimmer will not function if a bulb of less than 3W is used.

3

This product is fitted with a 3-stage touch dimmer. Simply touch the product to switch on and off. Your table lamp is now ready for use.
