The jam proof drop in bobbin system ensures smooth trouble-free stitching. This model has an ideal range of stitches and features to cope with general sewing tasks. Stitch selection is by dial, just choose the letter which matches the stitch and start sewing. It's that easy. The automatic 1-step buttonhole produces perfect buttonholes in one easy step whilst the automatic needle threader takes the strain out of threading the needle.

There's plenty of accessory storage and a hard cover for protection.
