Quality and construction
Made in China
Material: Chairs: Steel frame with synthetic weave, Aluminium legs.
Cushions: Water resistant and fire retardant.
Care and maintenance: To extend the product life and appearance, please store the furniture in a cool, dry, well-ventilated place indoors over winter or during periods of unseasonal weather. Ensure that the furniture is clean and completely dry before putting into storage.
Do NOT endose the product in a non-permeable material.
When not in use store cushions in a clean and dry environment.
Assembly: Partial assembly required. Full self-assembly required.

Madrid
outdoor range

Madrid

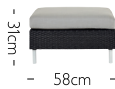

Madrid is a hand woven lounging and dining range suitable for outdoors or conservatories. Its square profile and metal frame legs give a contemporary feel. The modular pieces help you create the perfect arrangement for your space.
Shown in brown.
