SO MUCH MORE THAN JUST A BED...

A Stompa bed is never 'just a bed'. There's always an added function cleverly designed to utilise minimal floor space and maximise the options of fun and practical solutions that make a child's bedroom somewhere they love to spend time.

Stompa has put children's safety and comfort at the forefront since starting up production of children's furniture back in the 1960s. Stompa is always ahead of the game with new products designed to make everyday living easy, fun and full of space-saving solutions.

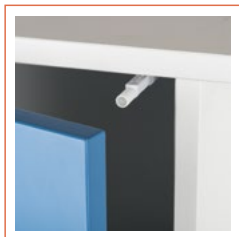

Rest assured that all precautions regarding safety and quality have been prioritised, leaving your children to feel safe in a Stompa bedroom.

MID SLEEPERS

PLAY - STUDY - STORE - SLEEP

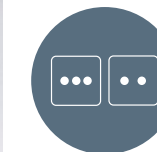

The Uno S Plus mid sleepers tick all the boxes for maximising space and the opportunity to design your own dream bedroom.

With modular furniture designed to fit under the bed you can enjoy more floor space to play in your room. There is plenty of room for being creative or doing homework on the large pull out desk. The handy push-to-open doors on the cube unit are available in white, grey, aqua, blue and pink.

For boys and girls who love dens and their own secret places, we have just the right bed with play tents in colourful fabrics.

HIGH SLEEPERS STUDY - STORE - CHILL - SLEEP OVER

Safe and sturdy beds with comfortable treads on the ergonomically designed ladder featuring cut out handles for easy grip. The high sleeper combinations offer something for everyone and are superb for creating space saving solutions.

The comfy corner sofa with its clever mechanism takes only seconds to convert into a bed for sleepovers. It is featured in combinations with desks or storage options with wardrobe or cube unit - all fitted neatly under the high sleeper.

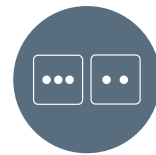

The fixed desk on its own or with the addition of the pull out desk offer ample space for doing art projects, homework or using it as a base for a TV. For a unique look in your bedroom complete it by adding cube units with colourful doors arranged side by side or stacked on top of each other.
