

Direct delivery of BSH appliances (Bosch, Neff, Siemens)

In order to offer you an extended range of appliances, in partnership with their carriers selected Bosch, Neff and Siemens appliances will be delivered direct to you, rather than via your nearest John Lewis.

- This will be within 4 working days* for the majority of UK postcodes (though postcode exclusions do apply – please see below.)
- A representative will call you within a working day of placing your order, so please enter your phone number when you checkout to help them to arrange delivery on time.
- If you'd like to add disposal or installation services to your delivery, please call **08456 048 835 before placing your order**. (Please note that deliveries with a service will take longer than 4 working days, and exclusions apply – see below.)

* Monday – Friday, excluding bank holidays
