

dermalogica shave

Navigate your way through the Dermalogica Shave system so you can get the dapper shave that you've always wanted.

start with the basics

daily clean scrub

A dual-action exfoliating cleanser that removes dulling surface debris, helping to lift the beard for a closer, cleaner shave.

soothing shave cream

An ultra-soft cream that delivers a super close shave, leaving skin smooth, slick and suave.

invigorating shave gel

A lightweight shaving gel that soothes, cools, softens and calms redness. Perfect for oily skin fellows.

close shave oil

No nicks. No cuts. No redness. All accuracy! Create an instant cushion between skin and razor for the ultimate close shave with this oil.

daily defense block spf15

This multi-tasking lotion helps condition skin, beats dryness and leaves a shine-free finish, all while defending against UV rays.

Want a little more?

Try adding these noteworthy enhancements to your shave:

clean bar

A soap-free cleansing bar that removes impurities and breaks down surface oils without stripping skin of vital moisture.

pre-shave guard

Great for heavy beards, this guard shields and softens hair to help minimize razor burn and bumps.

*For use under Soothing Shave Cream only

post-shave balm

Reduce discomfort and prevent bumps with this super cooling treatment balm that moisturizes and soothes skin. The perfect finishing touch to his flawless shave!
