Insert Centre Rail (6) into the brackets in the centre of the Headboard (1) and Footboard (2). Push down fully and secure in place using M6 x 25mm bolt (G) and tighten with M4 Allen Key (A). You can now tighten the bolts at the Side Rails from previous step (Step One) with M5 Allen Key (B) so all fastenings are now tightened.

This Charlotte Bed should be cleaned using a soft damp cloth and dried immediately. Do not use a very wet cloth or allow any liquid contact for a long period of time as this can permanently damage the surface.

Do not use detergents and do not rub as this can cause permanent damage.

Always protect your bed from direct sunlight as this may accelerate the natural on-going discolouration process.
