Geltex® is a unique, patented gel-infused foam that has all the pressure relieving properties of traditional memory foam, with added support and breathability.

Purotex® microcapsules release friendly bacteria into the fabric to reduce mould and moisture. The natural solution for a fresh hygienic, dust-mite free mattress.

Adaptive is a 'dynamic response' textile that reacts to temperature and moisture, and helps to maintain a constant temperature while you sleep.

Tencel® is an eco-friendly fibre that features in the fabric to help you keep cool and dry.

Sealy Smart Fibres are endorsed by Allergy UK for the elimination of house dust mites.
