Create your perfect bedroom

Your bedroom is your personal haven. At the end of every day you need not only a relaxing environment, but also furniture that looks great and makes the best use of your available space.

Choose from our range of modern and classic style wardrobes and furniture, which all have innovative storage solutions and include home delivery and assembly in your room as standard.

Our service

Choose

One of our store partners will help you choose from a wide variety of available furniture styles, finishes, door configurations and internal accessories.

Alternatively a selection can be seen online, visit johnlewis.com
Once you have decided, your furniture will be made to order.

Delivery and Assembly

Our assembly teams will contact you to book your delivery once your furniture is ready.

Our experienced fitters will deliver and assemble your furniture in your chosen room.

All packaging will be removed and your room left tidy, leaving you to enjoy your new bedroom straight away.

For peace of mind, all ranges in this brochure come with a 10-year guarantee.
