RAY-BAN PRESCRIPTION LENSES

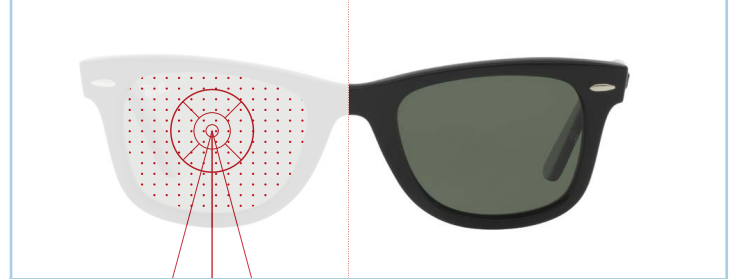

GENUINE SINCE 1937

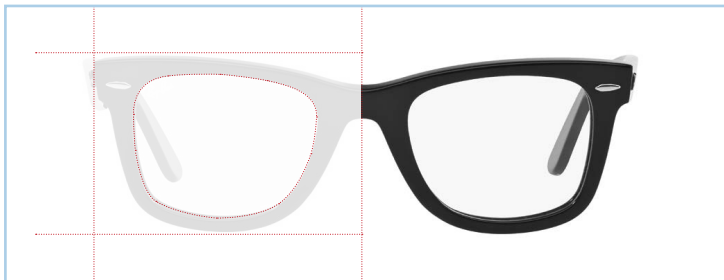

THE RAY-BAN LOGO

- Wherever you see Ray-Ban's unmistakable logo, you are guaranteed unrivalled Ray-Ban quality
- Now, the same stamp of authenticity is applied to the new Ray-Ban prescription lenses
- The logo sits in the corner of the right lens and RB initials are engraved on the left, just like Ray-Ban's non-prescription range

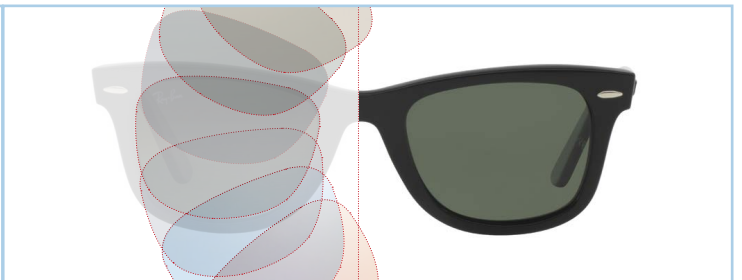

VISION ENHANCED BY DST

- Digital Surface Technology (DST) is a pioneering process that guarantees better vision due to the high quality lenses
- DST enables the lenses to be tailor made to your specific vision correction requirements
- Allows for clearer vision and alleviates eye strain

THE PERFECT SHAPE & COLOUR

- The new Ray-Ban prescription glasses will look identical to the classic, iconic Ray-Ban shapes
- The new Ray-Ban prescription lenses are available in a wide variety of Ray-Ban's most loved shapes, including Aviator, Wayfarer, Clubmaster and the Erika.

- You can match these shapes with clear or coloured prescription lenses, from standard G-15 to flash and gradient.
