kitchens

CREATING YOUR PERFECT KITCHEN

Your kitchen is the heart of your home and we understand how important it is to get everything just right. From designing to installing, to making sure everything works effortlessly for many years to come, you can rely on us. We've selected nine inspirational kitchen styles that show what you could achieve in your own home, all of which can be created from our kitchen ranges. You can choose from the most modern to the true classic, each one distinctive, beautifully designed and carefully built. We'll help you create a kitchen you'll love to cook and entertain in, at the very heart of your home

80 YEARS OF EXPERTISE

We've been fitting bespoke kitchens since 1932 and we bring all our experience and skills to every kitchen we make.

From designing our ranges to reflect changing styles and the ways we use our homes, to planning and installing your perfect kitchen, we'll make sure every last detail is exactly right.

Fitted kitchen with bespoke window seat - Northamptonshire

BEAUTIFULLY BESPOKE

Your John Lewis kitchen is unique; a bespoke one-off design that's tailored exactly to your needs and your space.

It's designed for you and hand built to order, and the sheer versatility we offer through our customisable options means that it's a real reflection of your style and needs.

No two John Lewis kitchens are the same, because no two customers are the same.

SIMPLY BETTER SERVICE

We'll make the journey from idea to installation as easy as possible.

Our planners will work closely with you, and carefully survey and measure your site.

We'll consider every detail before designing a plan that's tailored exactly to your space.

Then we'll expertly build your kitchen and install it.

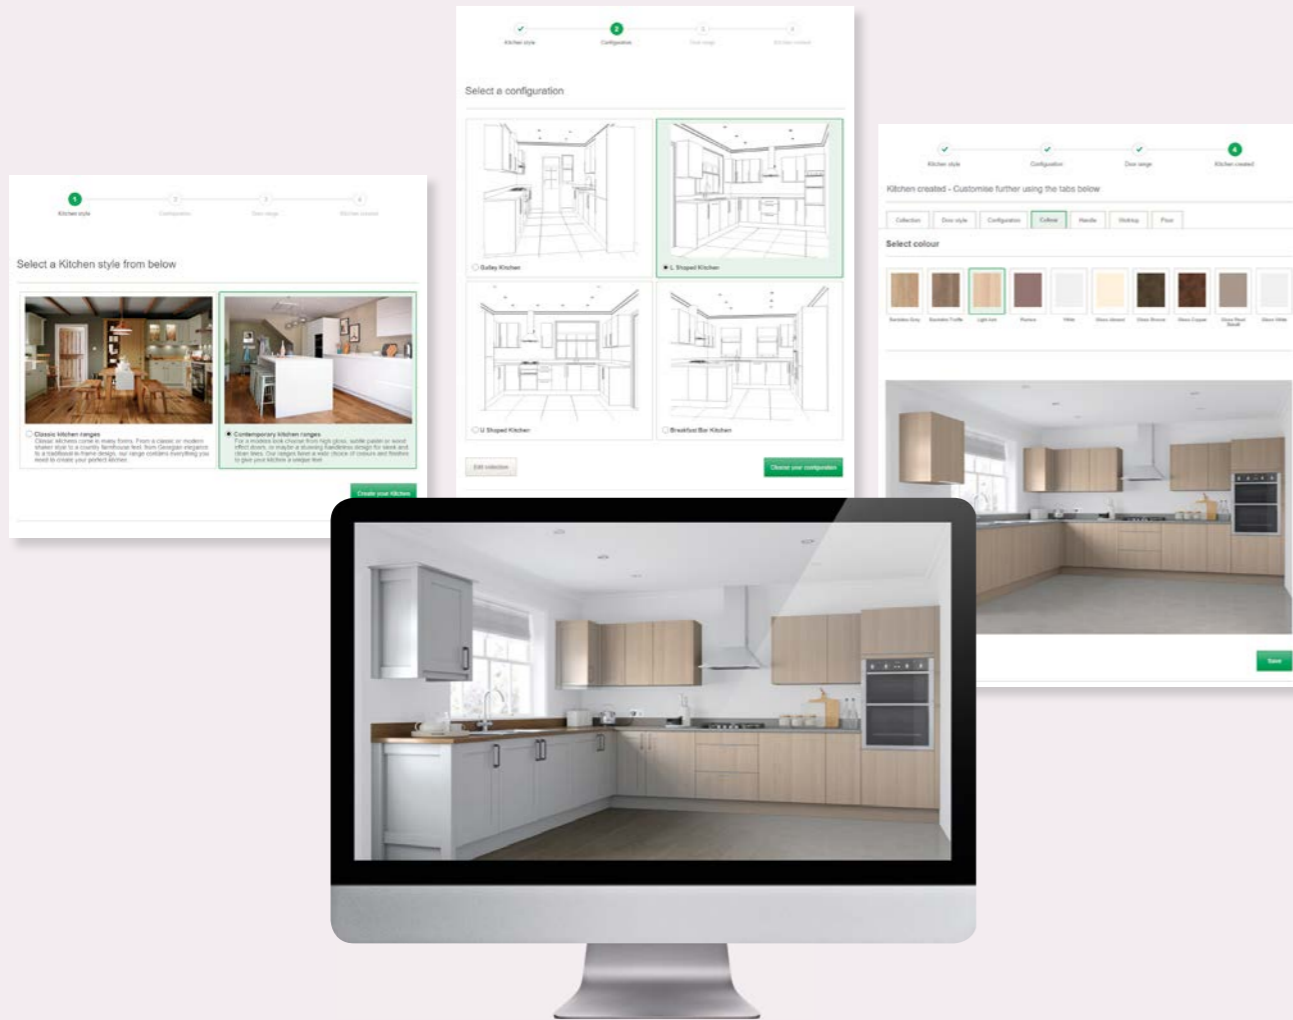

BRINGING YOUR VISION TO LIFE

Our planners will design your kitchen to perfectly fit your space and practical requirements.

And if you'd like to experiment with different styles, layouts and colours yourself, try our easy-to-use visualising tool.

Just visit johnlewis.com/fittedkitchens to get started.

EXPERTLY INSTALLED, WITH QUALITY GUARANTEED

A good kitchen will stand the test of time, and ours are as durable as they are beautiful. We also believe that a perfect finish should come with complete peace of mind, so your kitchen cabinets are made by skilled craftspeople and covered by our 10-year cabinetry guarantee. And each of our kitchen installers is independently accredited by the BiKBBI (www.ikbbi.org).

EVERYTHING YOU NEED, ALL IN ONE PLACE

When you're creating your dream kitchen there are all the extra touches to think about too.

Our unique range of products and services makes it all much easier. We stock everything from beautiful flooring and lighting, to the latest hi-tech appliances and designer tableware.

A MODERN CLASSIC WITH A HOMELY FEEL, this look is defined by its beautiful detailing, exceptional craftsmanship and well-considered materials. Combining warm neutral tones, its relaxed and timeless aesthetic creates a space you'll love coming home to

Above: Specially crafted end panels give this look a distinct feel

Top: Baskets add texture into a room and are also a practical way to store smaller items

Hide your appliances away, as with this fridge freezer cabinet

Created with our Carradale range in painted cashmere with quartz and wooden worktops

KitchenAid 175 Artisan 4.8L white stand mixer 855 43743

DESIGNED TO
MAXIMISE SPACE
AND STORAGE

a wonderfully practical kitchen with enhanced functionality of sliding doors for a modern kitchen feel. With its soft palate and warm wooden tones, this is an informal and versatile solution for contemporary urban living

These tall units with sliding doors offer a clever space saving solution. An open display can show favourite items, whilst behind the sliding door, drawers offer plenty of storage for your essentials

Above left: When worktop space is a premium, this hanging rail system allows your utensils to be stored within easy reach whilst keeping your worktop clutter free

Top: This tall corner solution makes the most out of wasted corner storage space

Created using our House by John Lewis range in light grey and oak light with co-ordinated media and storage unit
